

Transition from PRAC to delegated acts

Kilian Gross
European Commission,
DG ENER Deputy Head of Unit A1

Meeting of the Gas Committee
15/04/2013

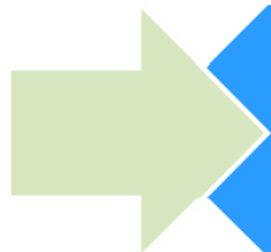

- *Transition period and alignment of RPS/PRAC with delegated acts*

Measures already advanced
under PRAC (=opinion of the
committee) will not be affected
by alignment exercise

Alignment (=omnibus
legislation) foreseen only in
2014

Reference to PRAC to be
replaced by a reference to DA

New references to delegated acts (Directive 2009/73)

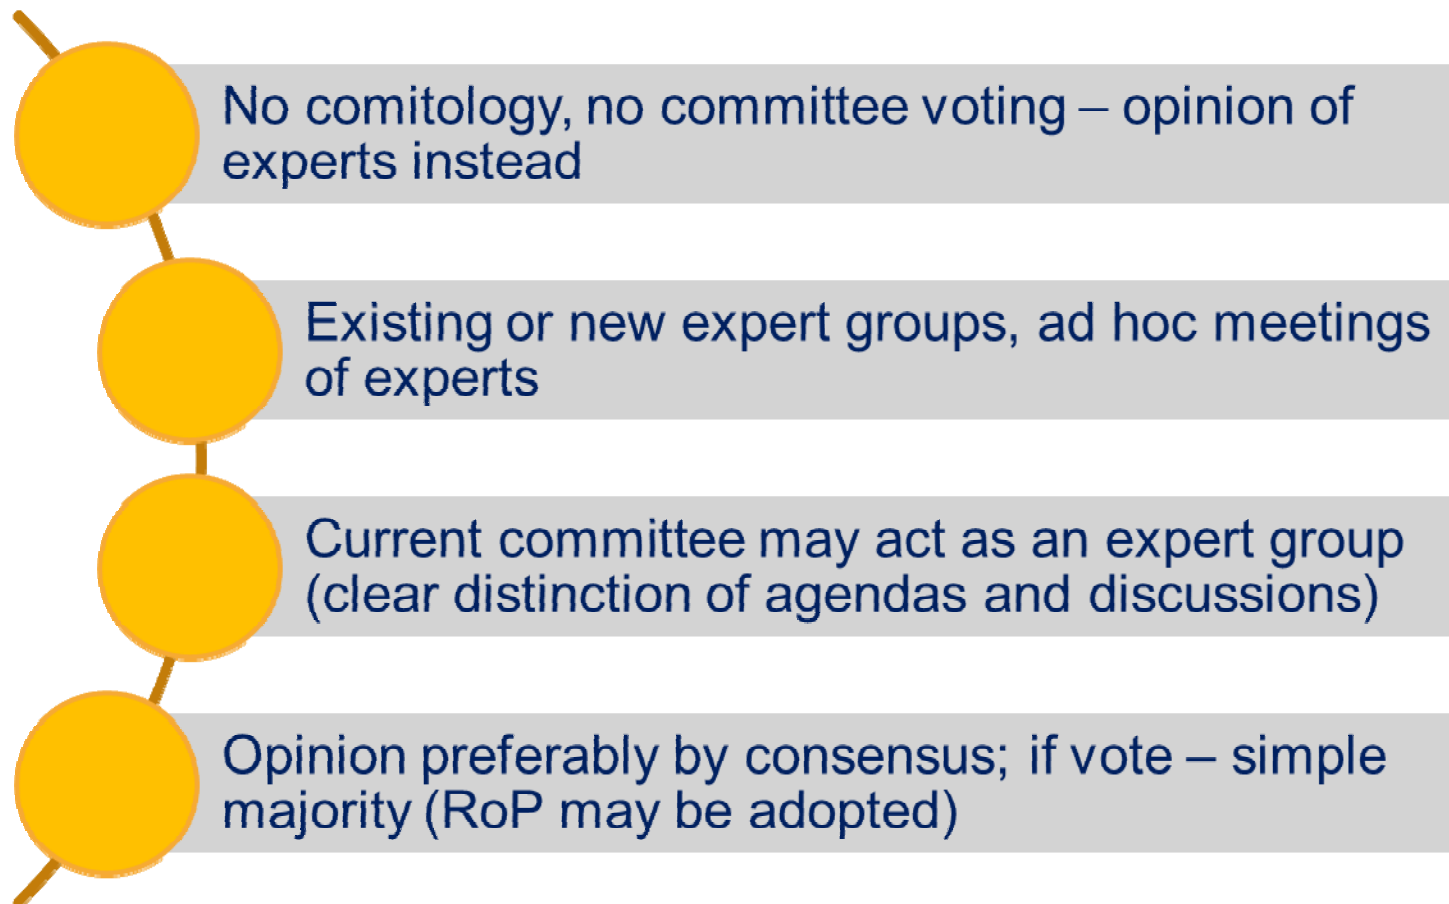

Article	Substance
6(4)	Guidelines for regional cooperation
11(10)	Guidelines on certification in relations to 3rd countries
15(3)	Guidelines on TSO unbundling
36(10)	Guidelines on access to new infrastructure
42(5)	Guidelines on cross border regulation-extension of duties
43(9)	Guidelines on compliance with guidelines
44(4)	Guidelines on record keeping

Article 48(2): derogations in relation to ToP commitments – remain under comitology (advisory procedure) – implementing acts

New references to delegated acts (Regulation 715/2009)

Article	Substance
3(5)	Certification of TSOs – guidelines, details of procedure
6	Network codes
7(3)	Amendments of network codes
12(3)	Regional cooperation of TSOs – defining geographical area
23(2)	Guidelines – minimum degree of harmonisation

● *Expertise of the Member States*

- *Preparation of a delegated act*
