Energy Community Success Stories in EaP Countries

| | Reform | Primary Law | Secondary Legislation |
|---|----------------------|-------------|-----------------------|
|  MOLDOVA | ✓ Gas Market | ✓ | |
| | ✓ Electricity Market | ✓ | |
| | ✓ Energy Efficiency | ✓ | ✓ |
|  UKRAINE | ✓ Gas Market | ✓ | ✓ |
| | ✓ Electricity Market | ✓ | ✓ |
| | ✓ Energy Efficiency | ✓ | ✓ |

1. European energy law vs trade law (WTO)
2. Implementation obligations/domestic reforms vs case-to-case analysis
3. Design for energy governance vs cross-border transactions
4. Legally binding rules on environment, energy efficiency, renewables vs Protocol on Energy Efficiency and Related Environmental Aspects

EU4Energy Programme and Energy Community

Component 3 – Legislative and Regulatory Environment and Key Energy Infrastructure

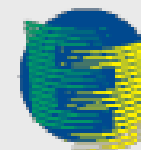

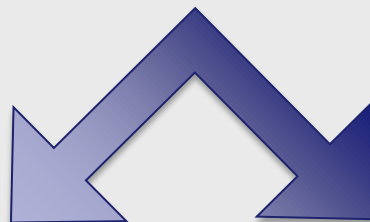

- ✓ Improvement of energy legislative and regulatory framework*
- ✓ Implementation of policy recommendations*
- ✓ Investments promotion in key energy infrastructure strategic projects*

EU4Energy Programme and Energy Community

COORDINATOR

ENERGY CHARTER SECRETARIAT
СЕКРЕТАРИАТ ЕНЕРГЕТИЧЕСКОГО ЗАПЪТНИ

EU4Energy Programme and Energy Community Component 3 – Organizational Structure

34 staff members

Vienna Programme office

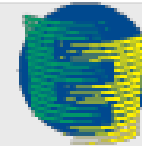

- 1. Project Manager**
- 2. Gas Coordinator**
- 3. Electricity Coordinator**
- 4. EE & RES Coordinator**
- 5. Programme Financial Assistant**
- 6. Programme Executive Assistant**

Kiev Programme Office

- 7. Regional Coordinator UA, MD, BY**

Tbilisi Programme Office

- 8. Regional Coordinator AM, GE, AZ**

**ENERGY CHARTER SECRETARIAT
СЕКРЕТАРИАТ ЭНЕРГЕТИЧЕСКОГО ХАРТИИ**

Brussels Programme office

- 1. Projects coordinator for AM, BY, AZ**
- 2. Programme Financial Assistant**

- ✓ *Meetings with the authorities in the countries;*
- ✓ *Development of overall 4-year Work Programme – setting initial priorities;*
- ✓ *Preparing Annual Work Programme;*
- ✓ *Formalizing cooperation: MoU, Accord, Letter of intent;*
- ✓ *Country coordinator – contact person in the participating country;*
- ✓ *Implementation.*

Action Plan for the Component 3

| Month*/Activity | M1 | M2 | M3 | M4 | M5 | M6 | M7 | M8 | M9 | M10 | M11 | M12 | Y2 | Y3 | Y4 |
|--|----|----|----|----|----|----|----|----|----|-----|-----|-----|----|----|----|
| Preparation Activities | | | | | | | | | | | | | | | |
| Activity 1: Establishment of PMU | | | | | | | | | | | | | | | |
| Activity 2: Identification of initial need & preparation of outline work programme | | | | | | | | | | | | | | | |
| Activity 3: Development and approval of detailed annual work programme | | | | | | | | | | | | | | | |
| Activity 4: Creation of Expert Roster | | | | | | | | | | | | | | | |
| Implementation Activities | | | | | | | | | | | | | | | |
| APPROVAL OF 1 OVERALL WORK PROGRAMME | | | | | | | | | | | | | | | |
| Activity 5: Provision of TA in line with Agreed Country Work Programmes | | | | | | | | | | | | | | | |
| Activity 6: Contribution to Regional Policy Dialogue | | | | | | | | | | | | | | | |
| Activity 7: Communications and Visibility | | | | | | | | | | | | | | | |

* Refers to the following month after the signature of the Contract

The background is a satellite-style image of Europe, with landmasses in dark blue and city lights in white. Overlaid on this are numerous glowing blue lines that arc and curve across the continent, representing a network of energy connections.

*Thank you
for your attention!*
