

Project of common interest:

9.5.2

#### COUNTRIES INVOLVED

Poland (PL)

#### PROJECT PROMOTERS

PERN S.A (PL).

#### BASIC TECHNICAL DATA

Length: 234 km

#### LOCATION

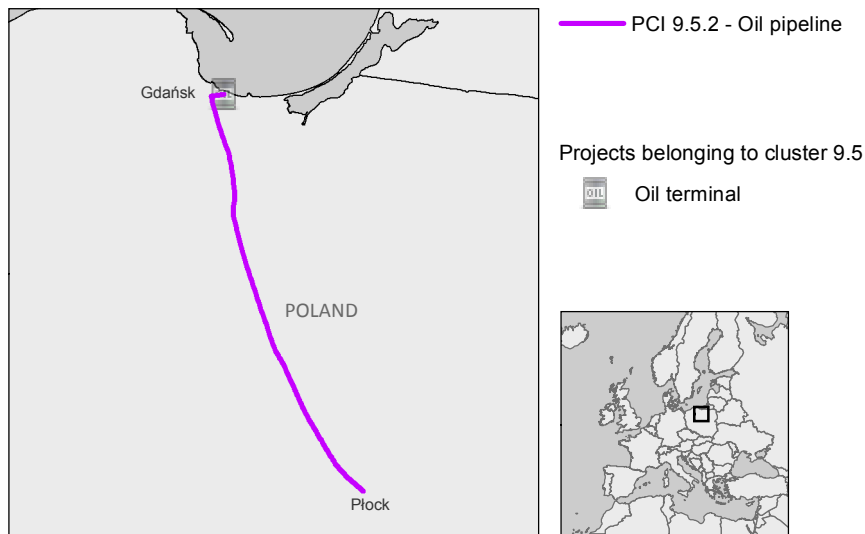

From Miszewko Strzalkowskie (near Plock) to Gorki Zachodnie (near Gdansk)

#### COMMISSIONING DATE

2025

## Oil interconnection

### Oil supply connections in Central Eastern Europe

Source: PLATTS, GISCO, European Commission

#### Definition

9.5.2 - Expansion of the Pomeranian pipeline: the second line of the pipeline

#### Cluster

PCI 9.5.2 - belonging to cluster 9.5: Cluster Pomeranian pipeline (Poland)

#### Type of technology employed

A pipeline of 234 km with the maximum technical capacity of 25 MTA

#### Implementation status

Pre-feasibility; concept of technical analysis
