

LanzaTech

# Carbon Recycling

“Converting Waste Industrial Gases, Biomass & MSW to Ethanol”

Presented by Dr. Preet Jain, Director LanzaTech  
3rd EU-India Conference on Advanced Biofuels

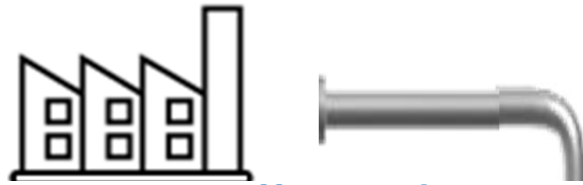

# Ethanol Build Out

**>45 Million Liters Ethanol Produced (China) Since Start Up**

## Economically and Environmentally Sustainable

Energy security from sustainable, regional resources

Reduce Emissions

New revenue from waste

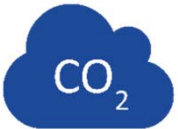

Preserve Land & Biodiversity

"Green jobs"

Water Recycle

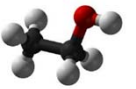

Direct Air Capture

Jet Fuel

ne

Product

Ethanol
