

**GREATER POLAND  
ENERGY VALLEY**

2040 Climate  
Neutrality  
is our goal!

until 2030

---

Discontinuation of the coal exploitation and use in the power and heating sectors

Limiting CO2 emission in the electricity sector by 90-95%

At least 55% reduction in greenhouse gas emission

Increasing the share of renewable energy sources in total energy consumption up to 32%

Increasing energy efficiency by 32.5%

until 2040

---

Climate  
Neutrality

**To achieve this,  
we have developed  
two  
key documents**

# Just Transition Concept

10.2020

organizes the challenges,  
goals and directions of the  
region intervention

was established thanks to the wide  
involvement of experts, residents and non-  
governmental organizations

# Territorial Plan for Just Transition of Eastern Wielkopolska

03-06.2021

an element of the programming system of the new EU financial perspective

consistent with directions of spending funds from the Just Transformation Fund
