

Day 2, 9th October - Electricity Regulatory Forum

09:00 Coffee

09:30 Introductory Remarks by Chair Mr Klaus-Dieter Borchardt, Director, DG Energy and by Mr Guido Bortoni, President of the Autorità per l'energia elettrica il gas e il sistema idrico

10:00 Session 1: State of Play - Network Codes

- Progress on network codes [Presentation by Commission; reactions by ACER and ENTSO-E]
- Key decisions and challenges for the implementation of the Capacity Allocation and Congestion Management Guideline [Presentations by ENTSO-E, Europex and Eurelectric, reactions by ACER]
- Progress on Balancing pilots [Joint presentation by ENTSO-E and ACER]
- Progress on intraday market coupling - XBID projects [Europex/ENTSO-E]

Stakeholder feedback and open discussion

11:30 Session 2: Capacity Mechanisms in the New Market Design.

Presentations: [Commission, ENTSO-E, DECC, ACER, Eurelectric, UFE/BDEW]

Stakeholder feedback and open discussion around the following questions:

- How can we better assess the adequacy of the power system, and what standards should apply?
- What key aspects should be considered to avoid the need for capacity mechanisms?
- What are possible models for cross-border participation in existing capacity mechanisms?

13:00 Lunch

14:00 Session 3: Governance

Presentations: [Commission, ACER, ENTSO-E, Eurelectric, Europex]

Stakeholder feedback and open discussion around the following questions:

Agenda (draft)

- What should the role of ENTSO-E be in a transformed electricity system?
- What would the role be for regulatory authorities and ACER in addressing evolving regional entities (power exchanges, Joint Allocation Office, regional security coordinators, etc.)?
- Which changes might be needed to the process of developing and amending network codes and guidelines?

15:30 Refreshments

16:00 Conclusions

16:30 Closing
