Consumer prices of petroleum products net of duties and taxes  
Verbraucherpreise für Mineralölzeugnisse ohne Abgaben und Steuern

Prix en vigueur au  
Prices in force on  
Preise geltend am

19/10/2009

The prices communicated by the Member States are the prices most frequently charged, based on a weighted average.

Comparisons between prices and price trends in different countries shall be carefully made. They are of limited validity because of differences in product quality, in marketing practices, in market structures, and to the extent that standard categories are representative of the total sales of a given product.
