# **Regional Initiatives – ACER Perspectives**

Steve Gordon  
Head Of the Gas Department  
Madrid Forum, September 2011

# Assessment of Work Plans

## North West Region (NW-GRI)

- Little/no change in plan since June
- Insufficient detail
- Possible lack of engagement

## South Region (S-GRI)

- Perceived or relative “success”
- Progress in several areas
- Need to maintain focus and stress on implementation

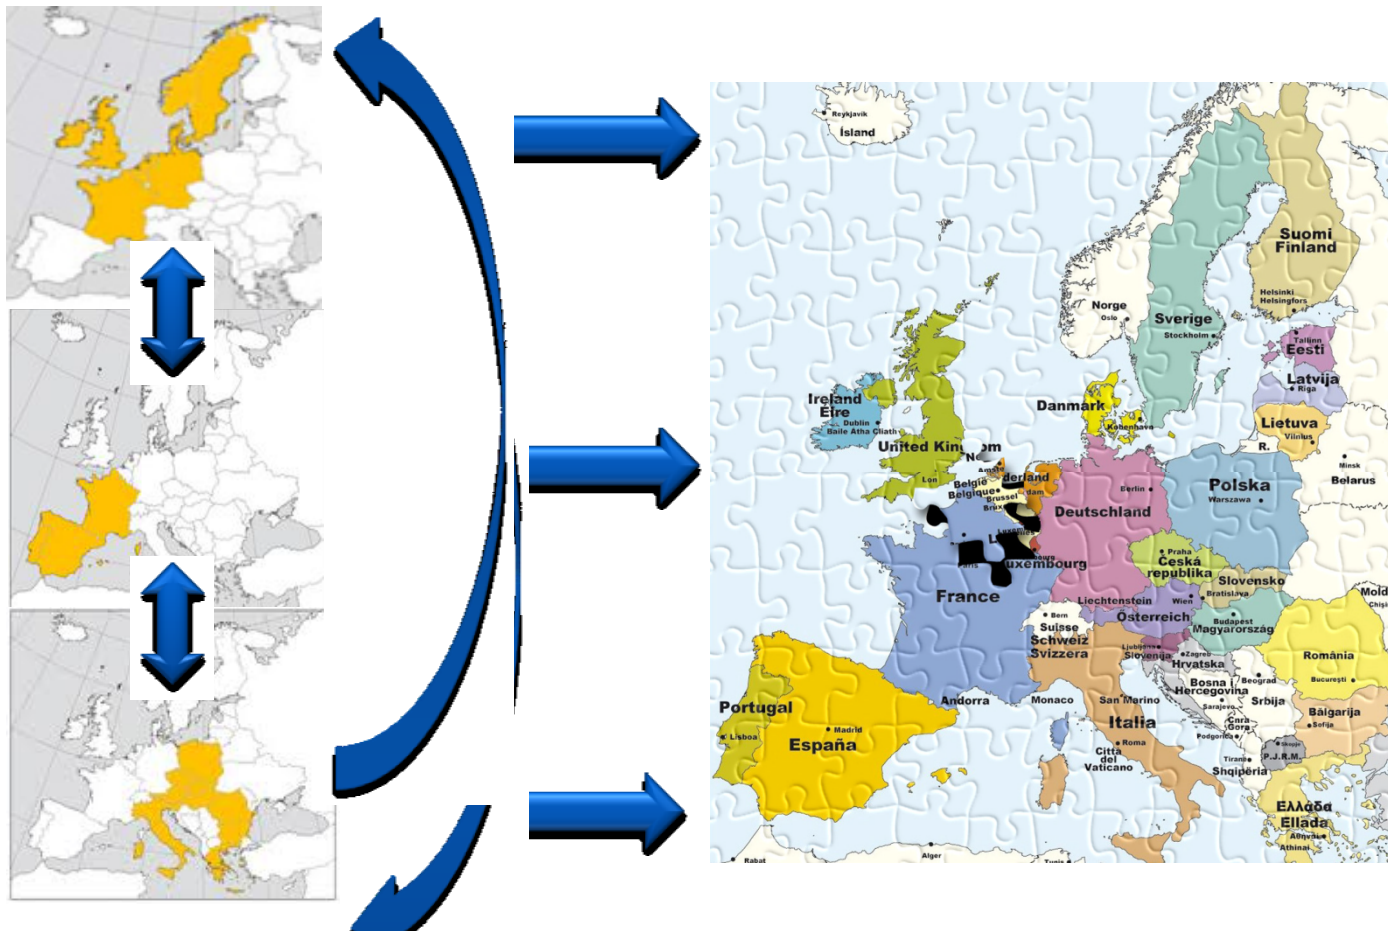

## South-South East Region (SSE-GRI)

- Little/no change in plan since June
- Insufficient detail
- Possible lack of engagement

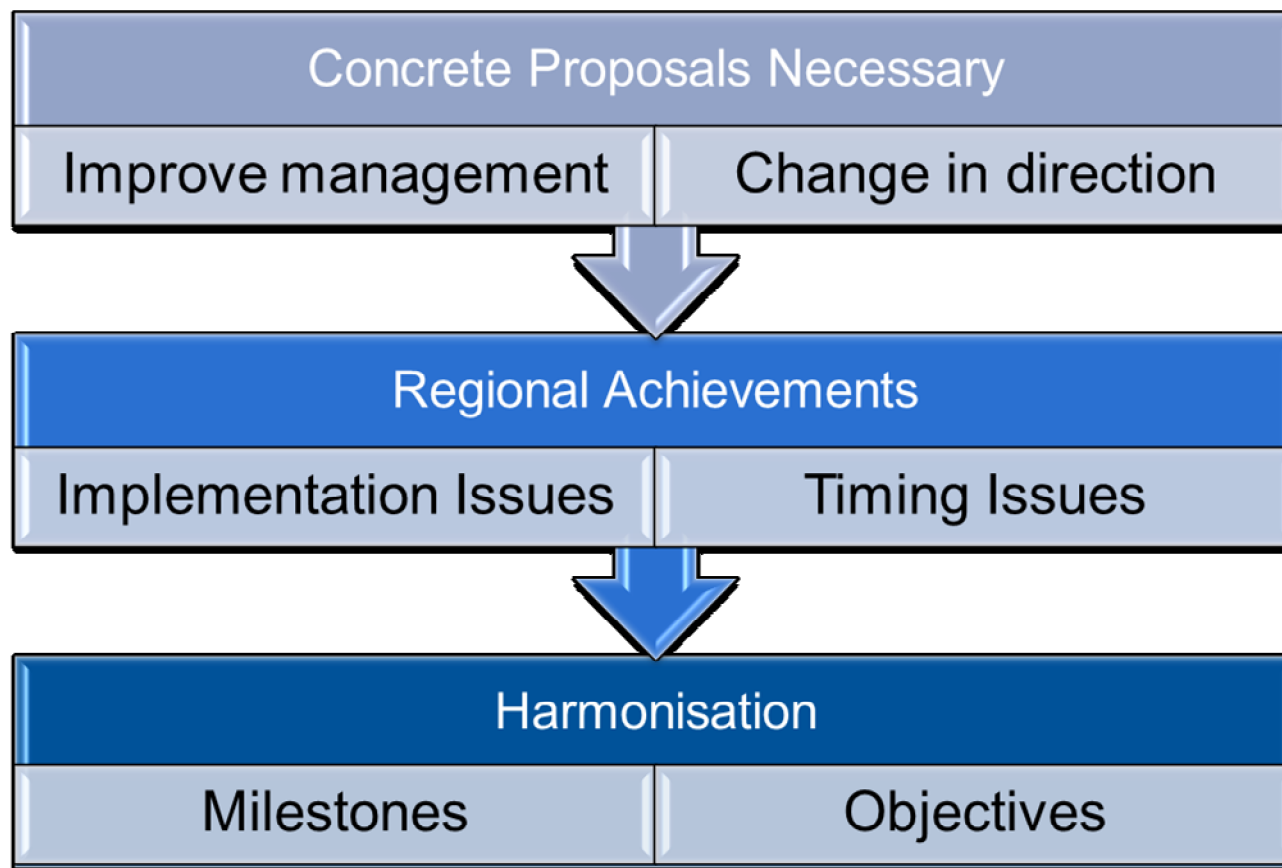

Progress in South region needs to be replicated in the others

# Bringing it all together

Harmonisation within, between and together to achieve the Initiatives

# ACER Proposals

Improvement in the management of the Initiatives is required to meet our goals
