November 2017

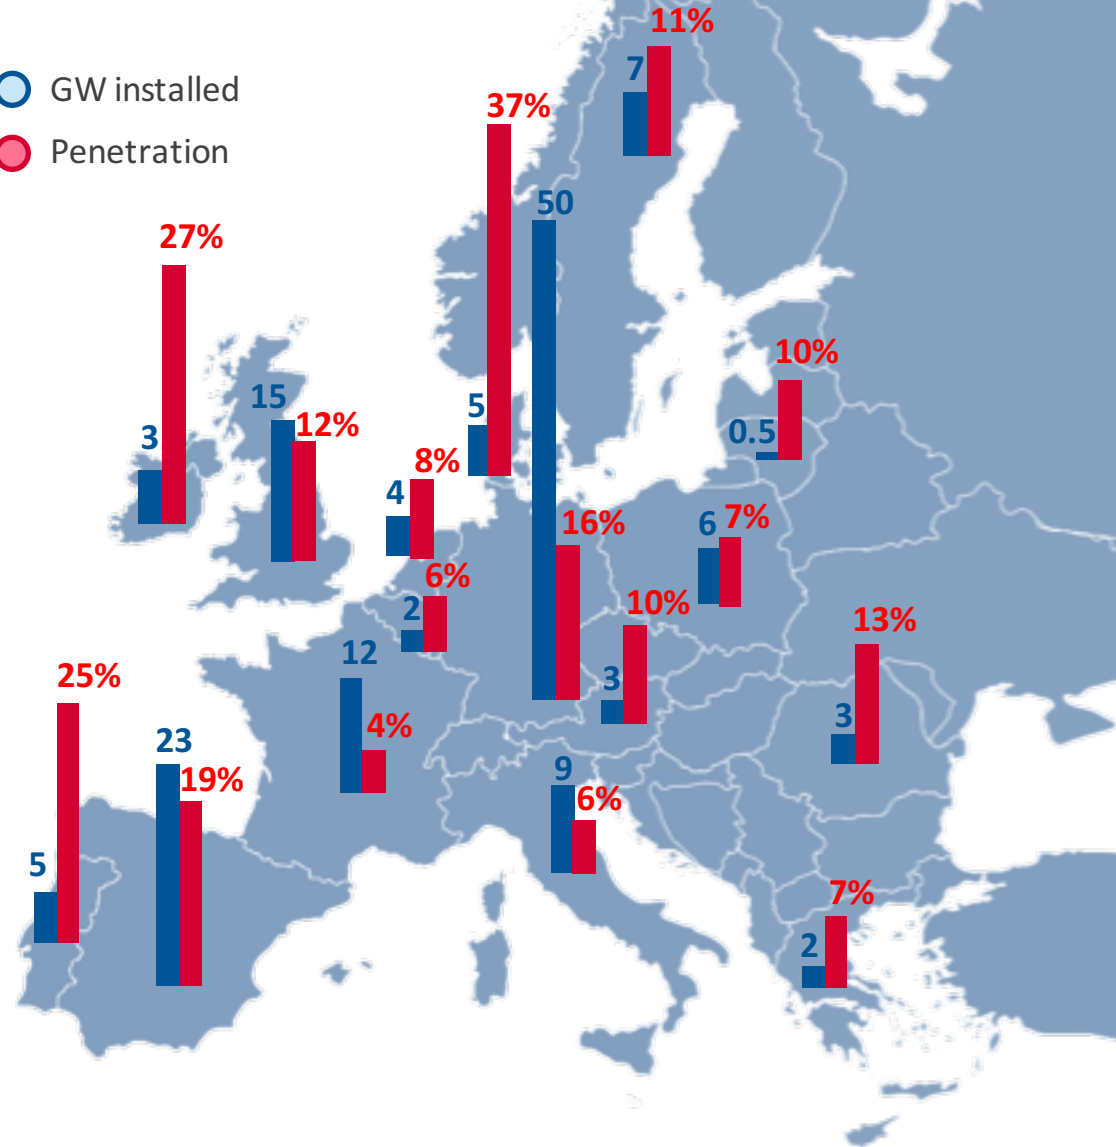

Wind power across Europe

160 GW

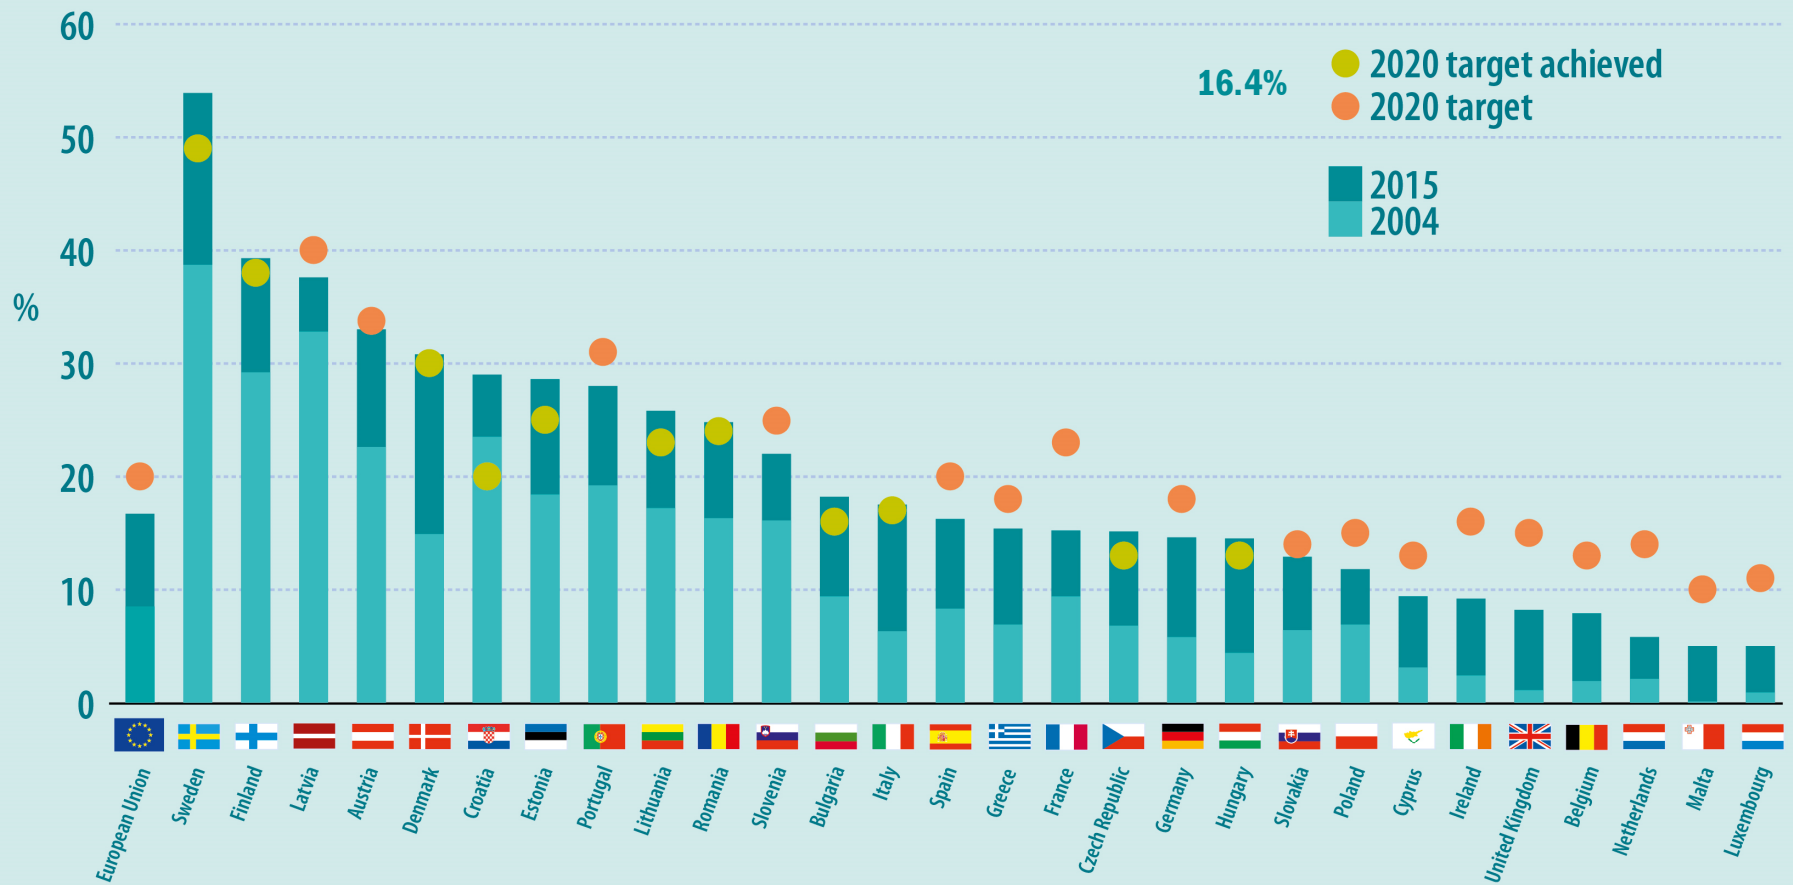

10.4%
of 2016 EU power demand

- ca. 300,000 jobs
- €8bn exports
- €27.5bn invested in 2016

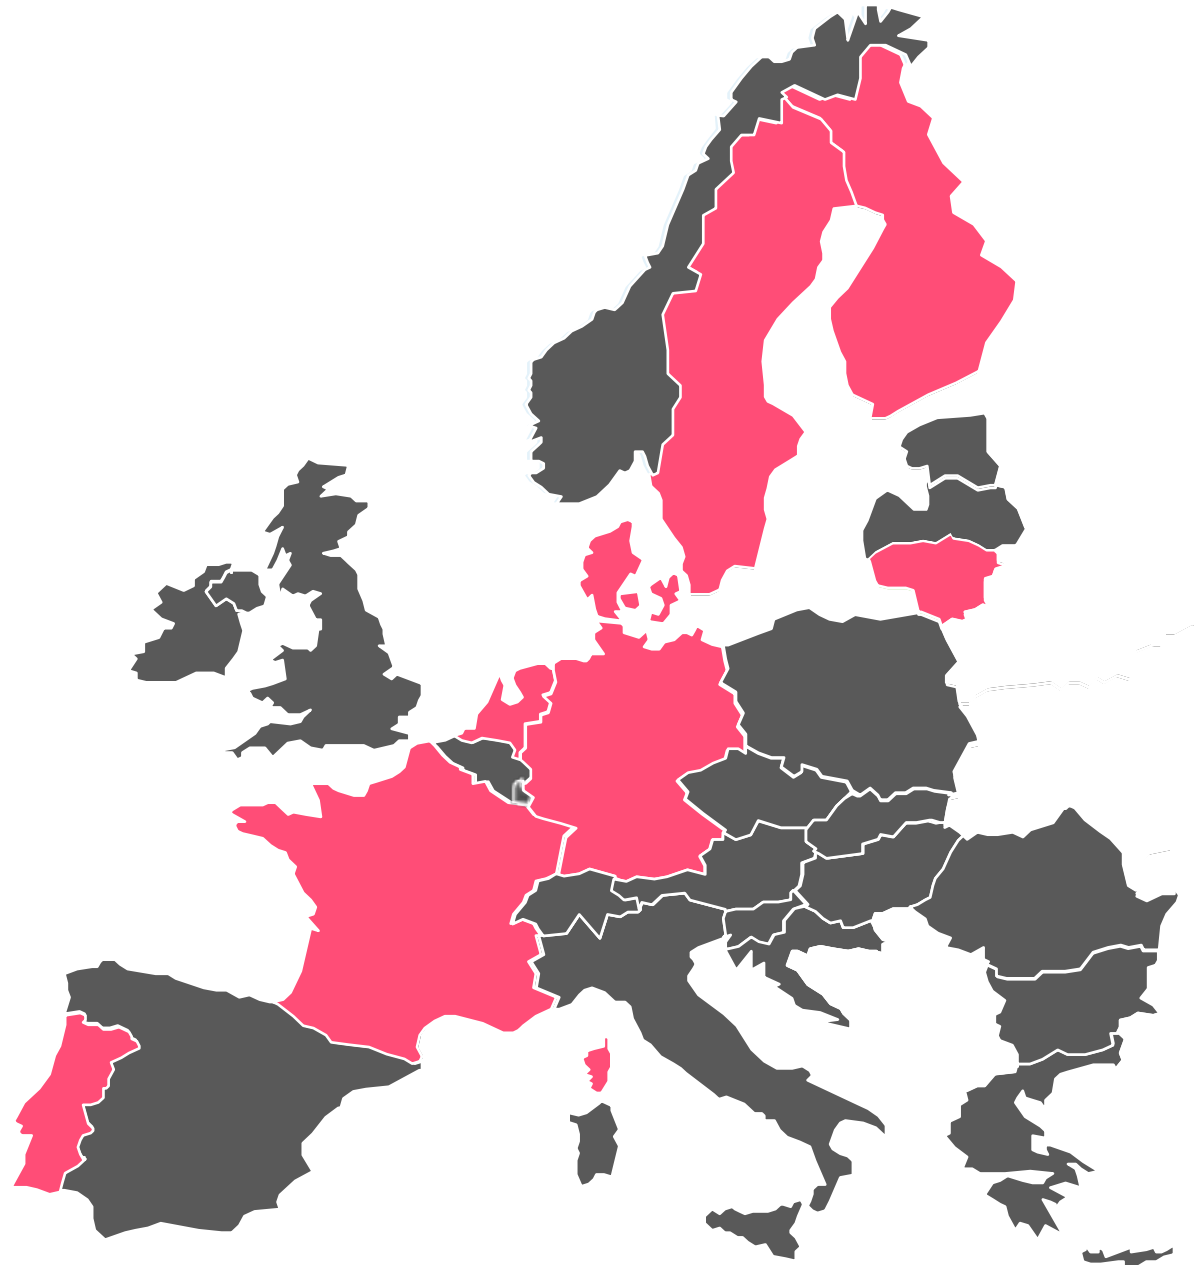

○ GW installed
○ Penetration

2020: Many countries off track

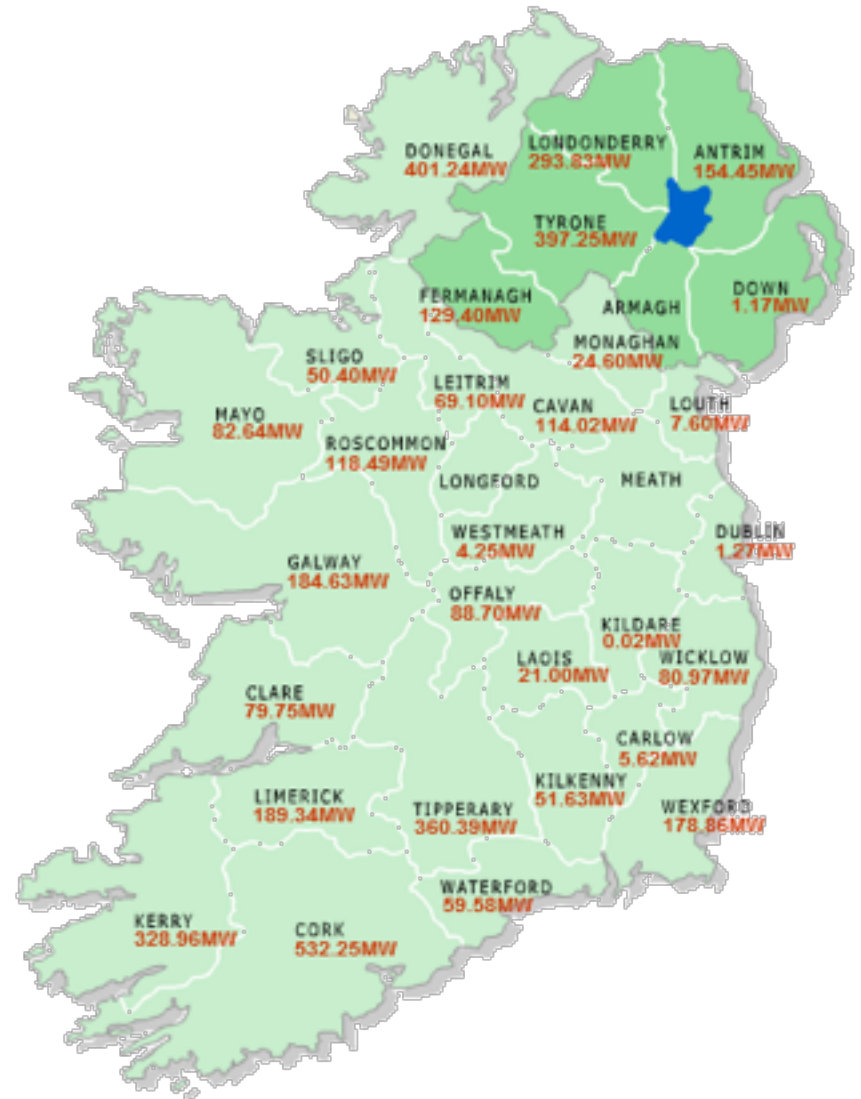

**2030:
Only 8 out
of 28 have
clear plans**

Empowering islands

	Republic of Ireland	Northern Ireland
Wind farms	226	50
Capacity [MW]	2,878	1,029
Penetration rate	27%	12% (UK)

Africa: Barriers to investments

- Permitting procedures long and unpredictable
- Limited grid
- Finance and skills capacity
