

EU ENERGY STAR programme : Imaging Equipment specification v1.1 (obsolete)

PGG101016

Multifunctional Devices

— registered EU ENERGY STAR Manufacturers and Products

This document lists only the manufacturers and products that are directly registered with the EC in the EU ENERGY STAR programme under the obsolete ENERGY STAR imaging equipment specification 1.1. In no event shall ENERGY STAR or the EC or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.

EU ENERGY STAR programme : Imaging Equipment specification v1.1 (obsolete)

PGG101016

Multifunctional Devices

— registered EU ENERGY STAR Manufacturers and Products

This document lists only the manufacturers and products that are directly registered with the EC in the EU ENERGY STAR programme under the obsolete ENERGY STAR imaging equipment specification 1.1. In no event shall ENERGY STAR or the EC or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.
