Sustainable Energy Investment Forums - 2016 - 2019

<https://ec.europa.eu/energy/en/financing-energy-efficiency/sustainable-energy-investment-forums>

15 public events

- A series of events to build capacity on EE finance programmes and project development
- Showcase exemplary projects & replicable investment models
- Showcase financial instruments and ESIF/national/regional programmes, where relevant
- Public events cover several countries

15 national roundtables

- Launch an 'EEFIG' momentum at national level
- Mobilise systemic dialogue between key stakeholders (public authorities, financial institutions, private sector etc.)
- 1st roundtable with selected participants, option for a follow up
- Basis for momentum 'continued'

Agenda

EU policies in support of energy efficiency investments

Diana Barglazan, DG Energy, European Commission

How can benchmarking boost energy efficiency investments

Peter Sweatman, Climate Strategies and EEFIG Rapporteur

Standardization as a support for evaluating energy efficiency investments and analysing risks

Steve Fawkes, EnergyPro

Thank You!
