

EU-India Conference on Advanced
Biofuels, B2B Meeting, New Delhi
March, 6th 2018

-> Technology Showcase & teaser
Value chain:
Renewable Methanol, CCU, PtL

Challenges and opportunities of advanced- and
biofuels for transport sector decarbonisation
Dr. Armin Günther
Air Liquide Global E&C Solutions

THIS DOCUMENT IS PUBLIC

New Delhi • March, 2018

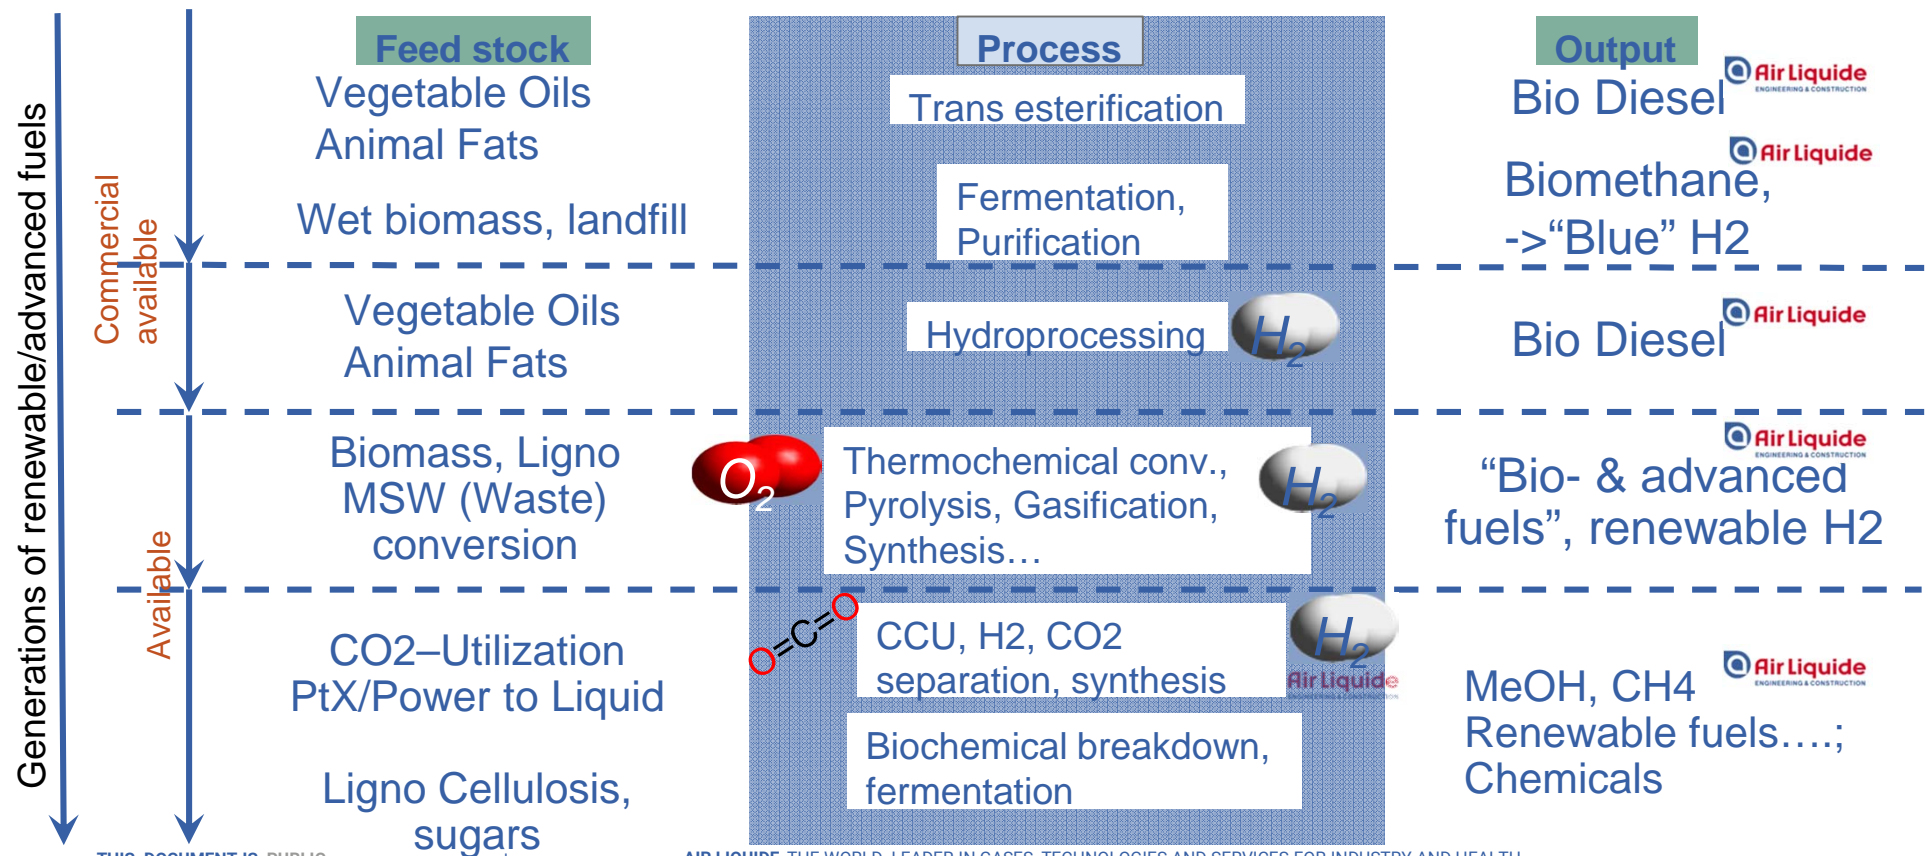

Dr. Armin Günther Innovation & Development

ENGINEERING &
CONSTRUCTION

Air Liquide R&D Methanol lab reactor

Technology Map: selected technologies for advanced fuels and biofuels

THIS DOCUMENT IS PUBLIC

Dr. Armin Günther, EU-India Conference, 6-8 March 2018

AIR LIQUIDE, THE WORLD LEADER IN GASES, TECHNOLOGIES AND SERVICES FOR INDUSTRY AND HEALTH

Advanced- and biofuels for transport sector decarbonisation

ENGINEERING & CONSTRUCTION

CCU - CO₂- based Methanol - a promising Concept
