

## **Energy infrastructure package**

### **Priorities for 2012 for NRAs and TSOs**

**Aim: entry into force of the regulation in early 2013**

- NRAs, TSOs, ACER and ENTSO-E involvement in regional groups to identify PCIs
- ENTSO-E and ACER cooperation on harmonised cost-benefit analysis methodology
- NRAs and ACER preparation of cross-border cost allocation mechanism
