

# Delivering the Joint NEMO Responsibilities under CACM

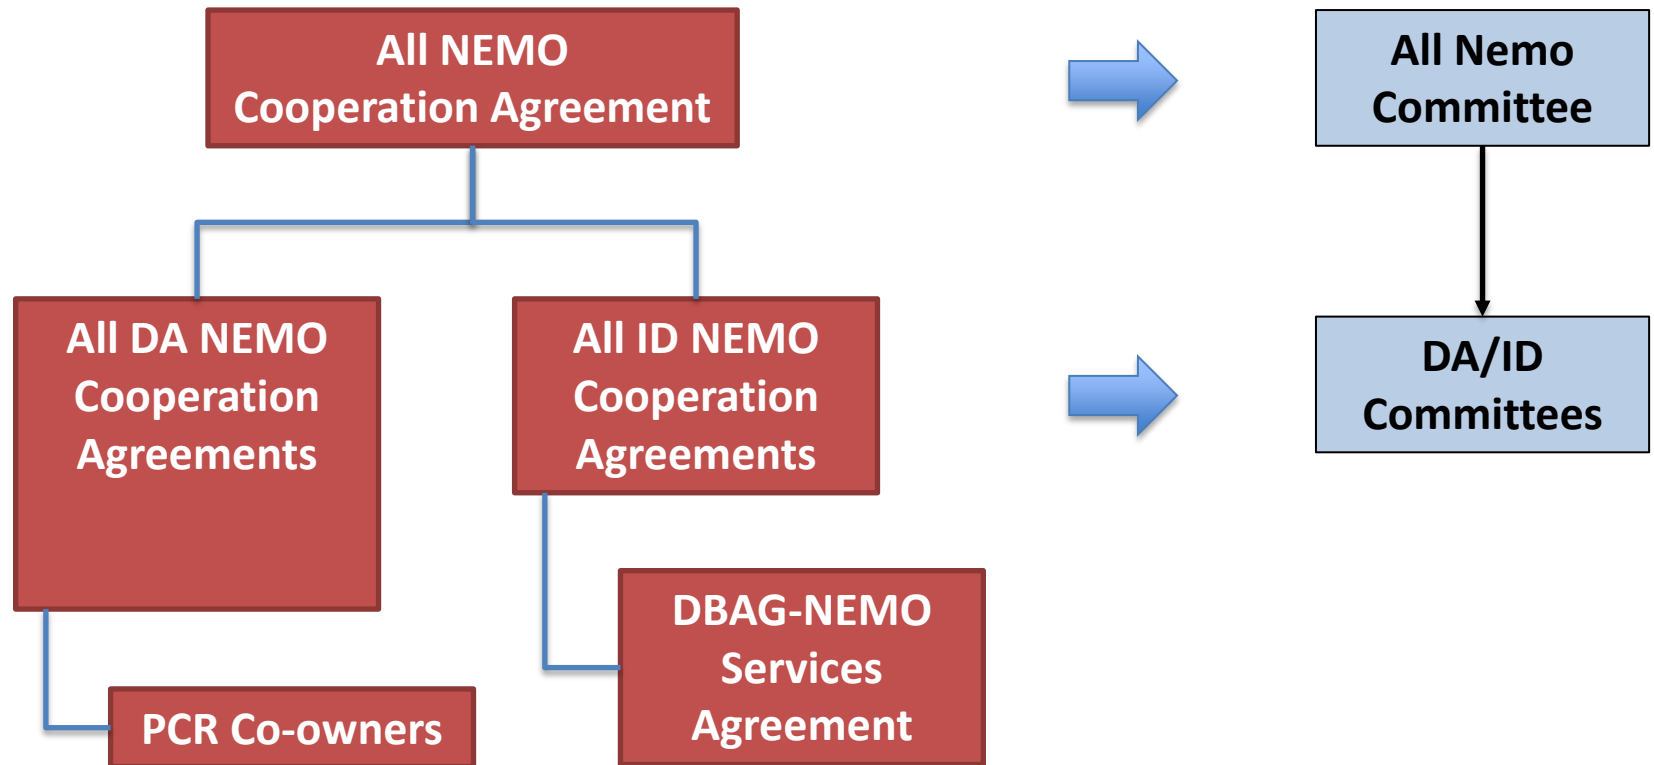

Florence Forum - 4<sup>th</sup> March, 2016

# Timeline under CACM

# Proposed NEMO organisation

- Revised Nemo-TSO operational agreements for DA and ID will be setup

# Interim NEMO Cooperation Agreement (INCA)

- The INCA establishes a NEMO Committee and provides a decision making framework for NEMOs to develop and propose the MCO Plan and Article 9 methodologies (reflecting CACM voting rules)
- The interim governance arrangements established by the INCA will be replaced by enduring arrangements to be proposed in the MCO Plan (INCA is voluntary)
- All NEMOs have expressed their interest in entering into the INCA; accession mechanism for future NEMOs
- Signature process underway
- **Envisaged entry into force: 3 March 2016**

# Key Issues

- How to make the NEMO cooperation and ID/DA operational agreements effectively binding for all operational NEMOs
- Decision processes
  - Ratification principles
  - Escalation principles and process (to NEMO Committee and beyond the NEMO Committee)
- Cost sharing and cost recovery principles (where multinational/European)
- Joint NEMO-TSO organisation/structure
- Allocation by MS of national votes where more than one NEMO nominated
