of Energy Regulators

2.2 Regional cooperation of TSOs

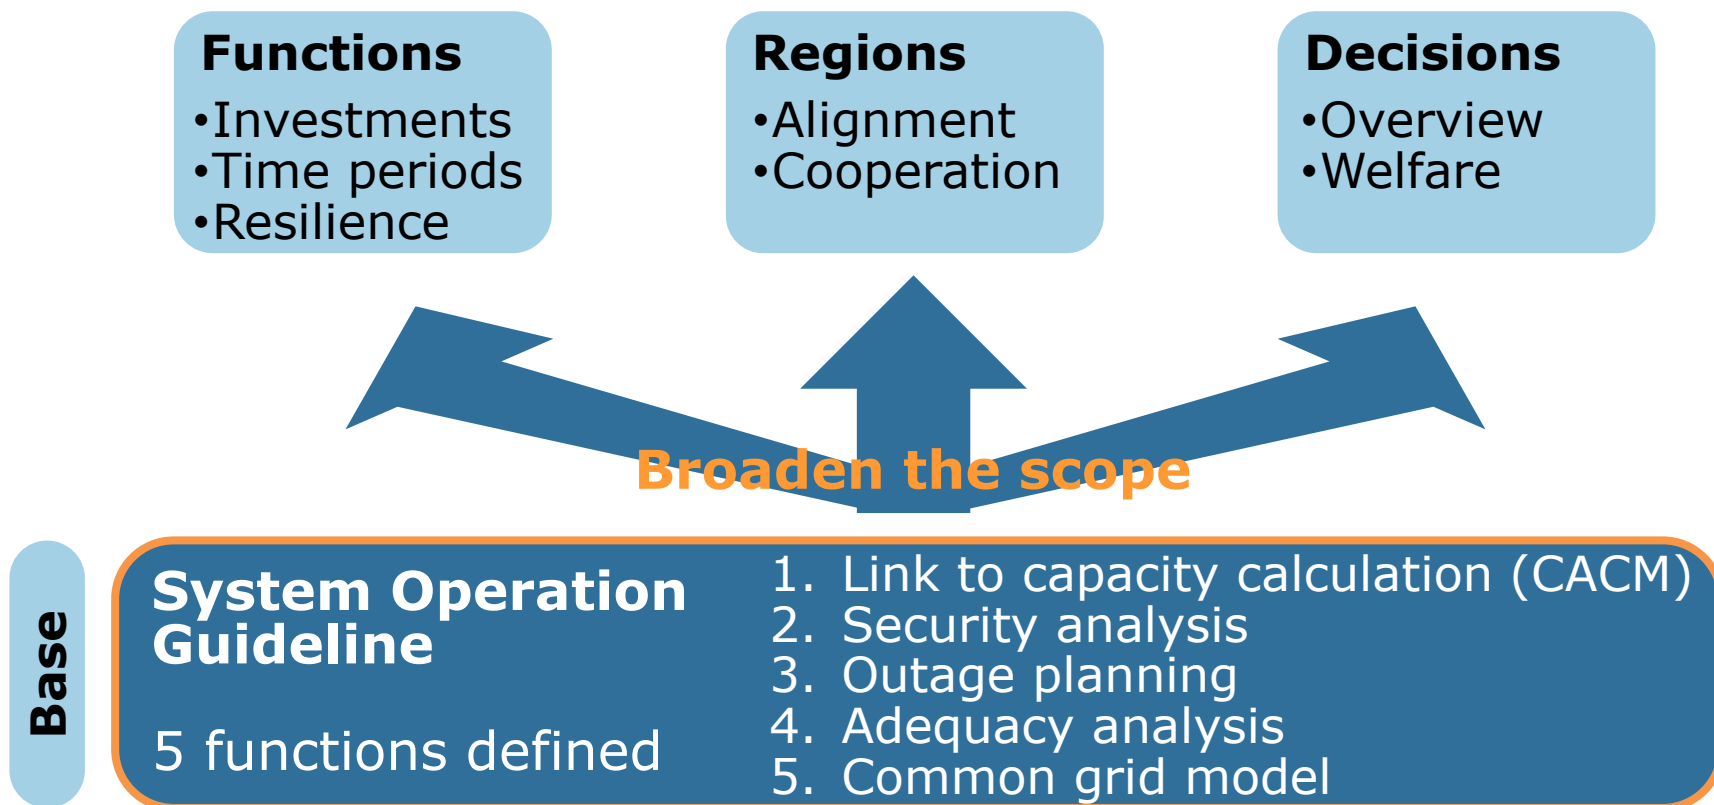

ACER Position

Dr. Christine Materazzi-Wagner

**Florence Forum
3-4 March 2016**

Regional cooperation of TSOs: A role for regional security coordinators (RSCs)

The last Florence Forum 'recommends considering the interaction [of capacity calculation] with other related regional developments such as regional security coordinators, regional adequacy assessments, investment planning and coordinated balancing areas.'

**Thank you for
your attention !**
