¹ Publication pursuant to Article 5(4) of Regulation (EU) 2017/1938, of the European Parliament and of the Council of 25 October 2017, concerning measures to safeguard the security of gas supply and repealing Regulation (EU) No 994/2010. Cases falling under Article 5(4)(a) of that Regulation are not included.

² Regulation (EU) No 994/2010 allowed exemptions to be granted for an indefinite period of time. Under Regulation (EU) 2017/1938, exemptions may only be granted or prolonged for a maximum period of 4 years. Existing exemptions granted under Regulation (EU) No 994/2010 remain valid unless the Commission or the other concerned Member State request a revision.

³ Commission Decision of 1.10.2020, on the revision of certain exemptions from the obligation to enable bi-directional capacity.
