

MOBILISATION OF THE FINANCIAL SECTOR ON ENERGY EFFICIENCY

Annie Degen-Neuville, UNEP FI

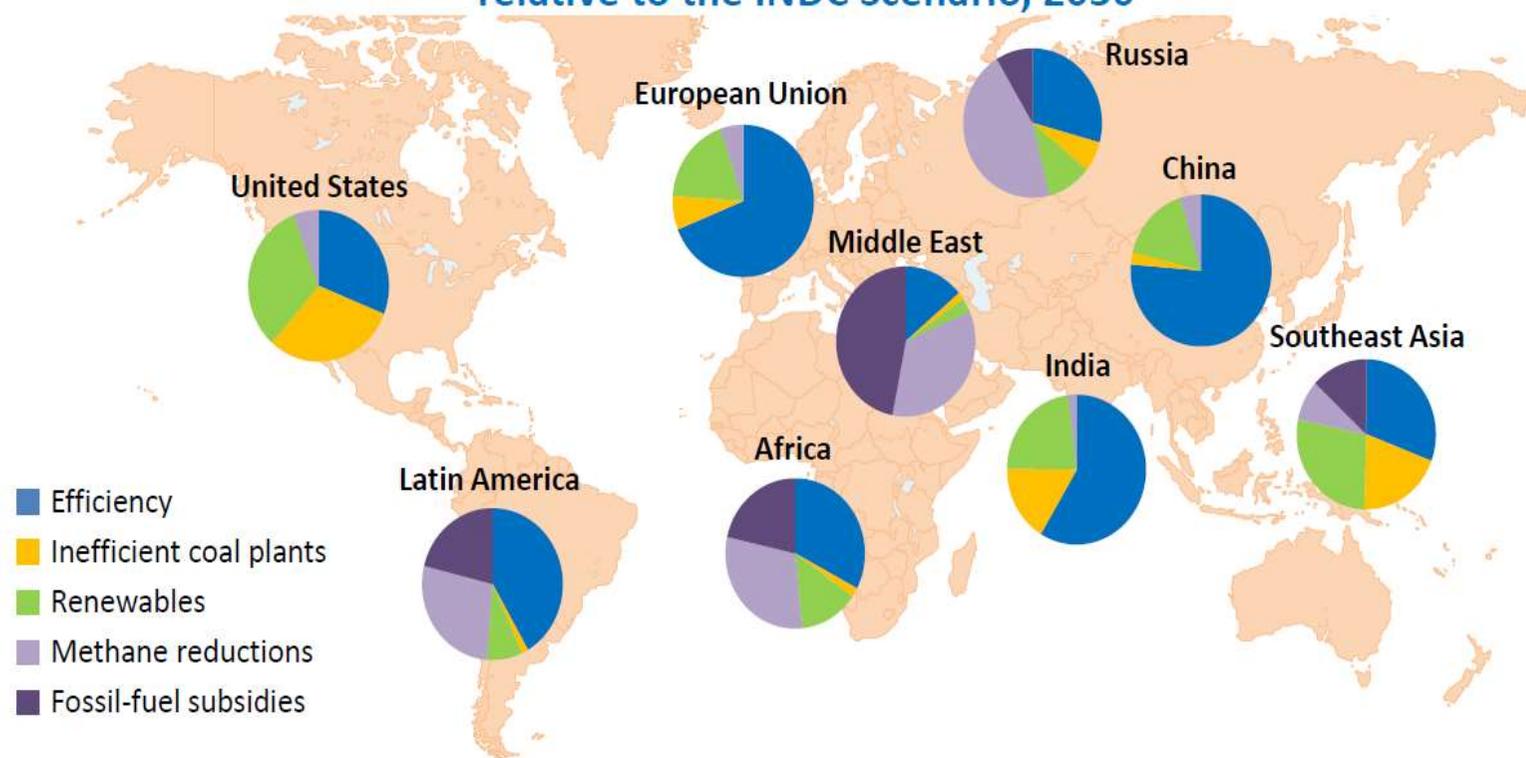

Special Advisor Energy Efficiency Finance

Sustainable Energy Investment Forum: Financing Energy Efficiency in Central Europe, Prague, 27 April 2017

WHY FOCUSING ON ENERGY EFFICIENCY IS SO IMPORTANT

GHG emissions reduction by measure in the Bridge Scenario, relative to the INDC Scenario, 2030

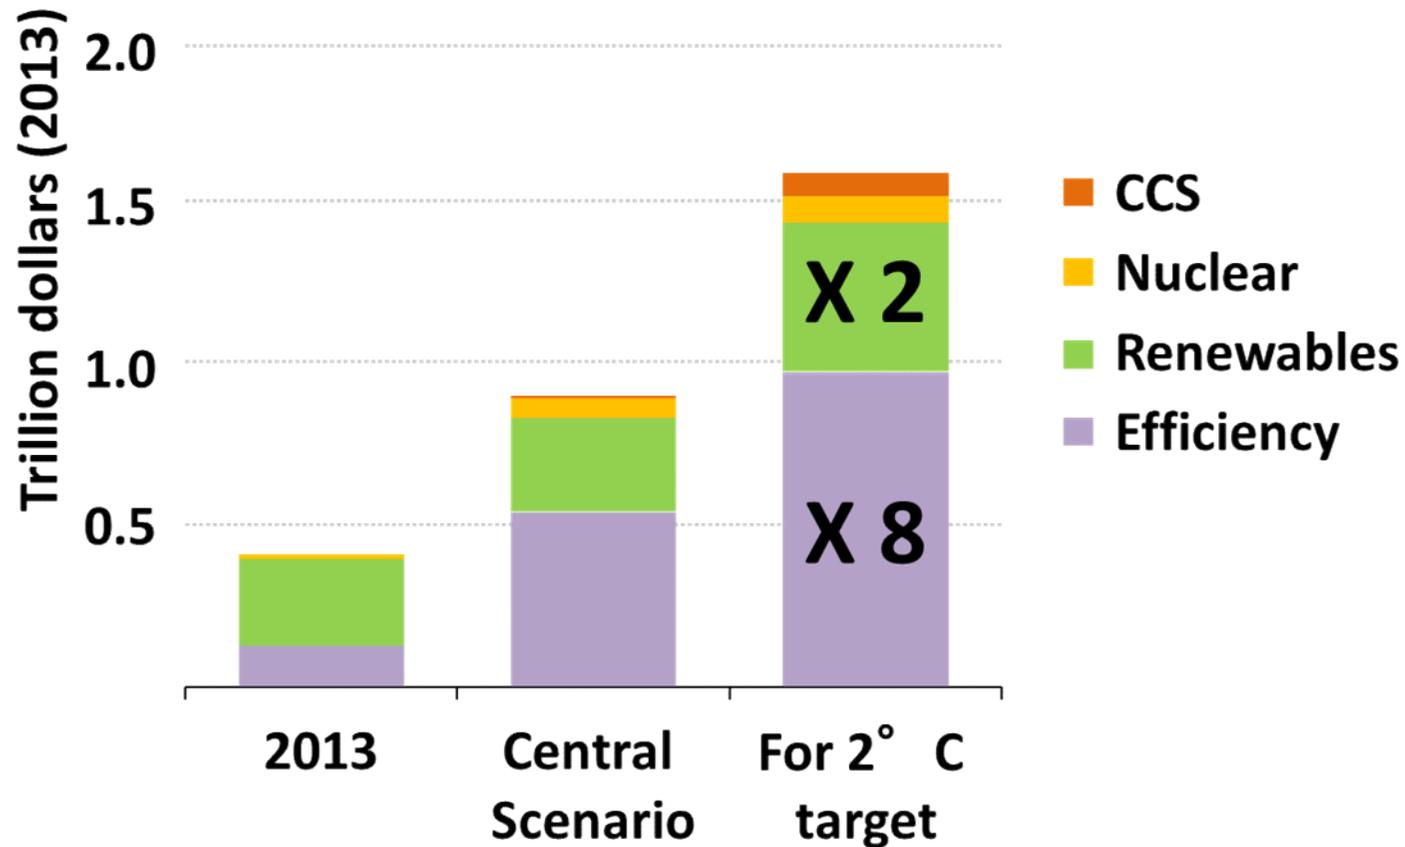

The measures in the Bridge Scenario apply flexibly across regions, with energy efficiency and renewables as key measures worldwide

*Source: IEA (2015) WEO Special Report on Energy and Climate Change

...AND THE INVESTMENT NEEDED IS MASSIVE, IN EFFICIENCY PRIMARILY

Average annual low-carbon investment, 2014-2040
