

European Conference on Smart Grid Standardization achievements

Organised by the European Commission
with the support of the European Standardisation Organisations
(CEN, CENELEC, ETSI)

European Commission,
Charlemagne building¹, rue de la Loi 170

26 February 2015

Objective of the conference: dissemination, industry's feedback on the final achievements of Smart Grids standardisation work under Commission Mandate M490 to European Standard Organisations.

8.30 - 9.00 - Registration and welcome coffee

9.00 – 9.45 – Welcome and keynote address:

- **Dominique Ristori**, Director General for Energy, European Commission
- **Tore Trondvold**, Chairman of the CEN-CENELEC-ETSI Joint President's Group

9.45 – 11.00 Session 1 – Smart Grids standardization achievements

**Moderator: Klaus-Dieter Borchardt, Director Internal Energy Market.
European Commission, Directorate-General for Energy**

Objective of session 1: Disseminate the main deliverables of the work carried out by CEN-CLC-ETSI on the basis of the "Standardization Mandate to European Standardisation Organisations (ESOs) to support European Smart Grid deployment".

- Overview...– where are we today? **Ralph Sporer**, Chairman of the CEN-CENELEC-ETSI Smart Grid Coordination Group
- Set of Standards, **L. Guise, T. de Zwart**
- Methodology, **E. Darmois, J. Stein**
- Interoperability, **A. Postma, M. Adriaansen**
- Security, **V. Distelrath, J.P. Mennella**
