# CLEAN ENERGY FOR ALL EUROPEANS

## Energy Union Governance

*DG Energy, Unit A1  
Paula Pinho*

# OVERVIEW

1. CONTEXT

2. PURPOSE AND SCOPE OF THE PROPOSAL

3. OUTCOME OF THE NEGOTIATIONS

4. NEXT STEPS

# THE CLEAN ENERGY PACKAGE

## CONTEXT

### CLEAN ENERGY FOR ALL EUROPEANS package

Energy Union Governance

**Energy Efficiency**

(Energy Efficiency Directive, European Performance of Buildings Directive)

**Renewables**

(Revised Renewable Energy Directive)

New **Electricity Market Design**

**Energy prices and costs report**

# A ROBUST GOVERNANCE TO MEET 3 OBJECTIVES

## PURPOSE AND SCOPE OF THE PROPOSAL

**Meet Energy Union objectives (notably the 2030 targets)**

**Ensure Better Regulation and reduce administrative burden**

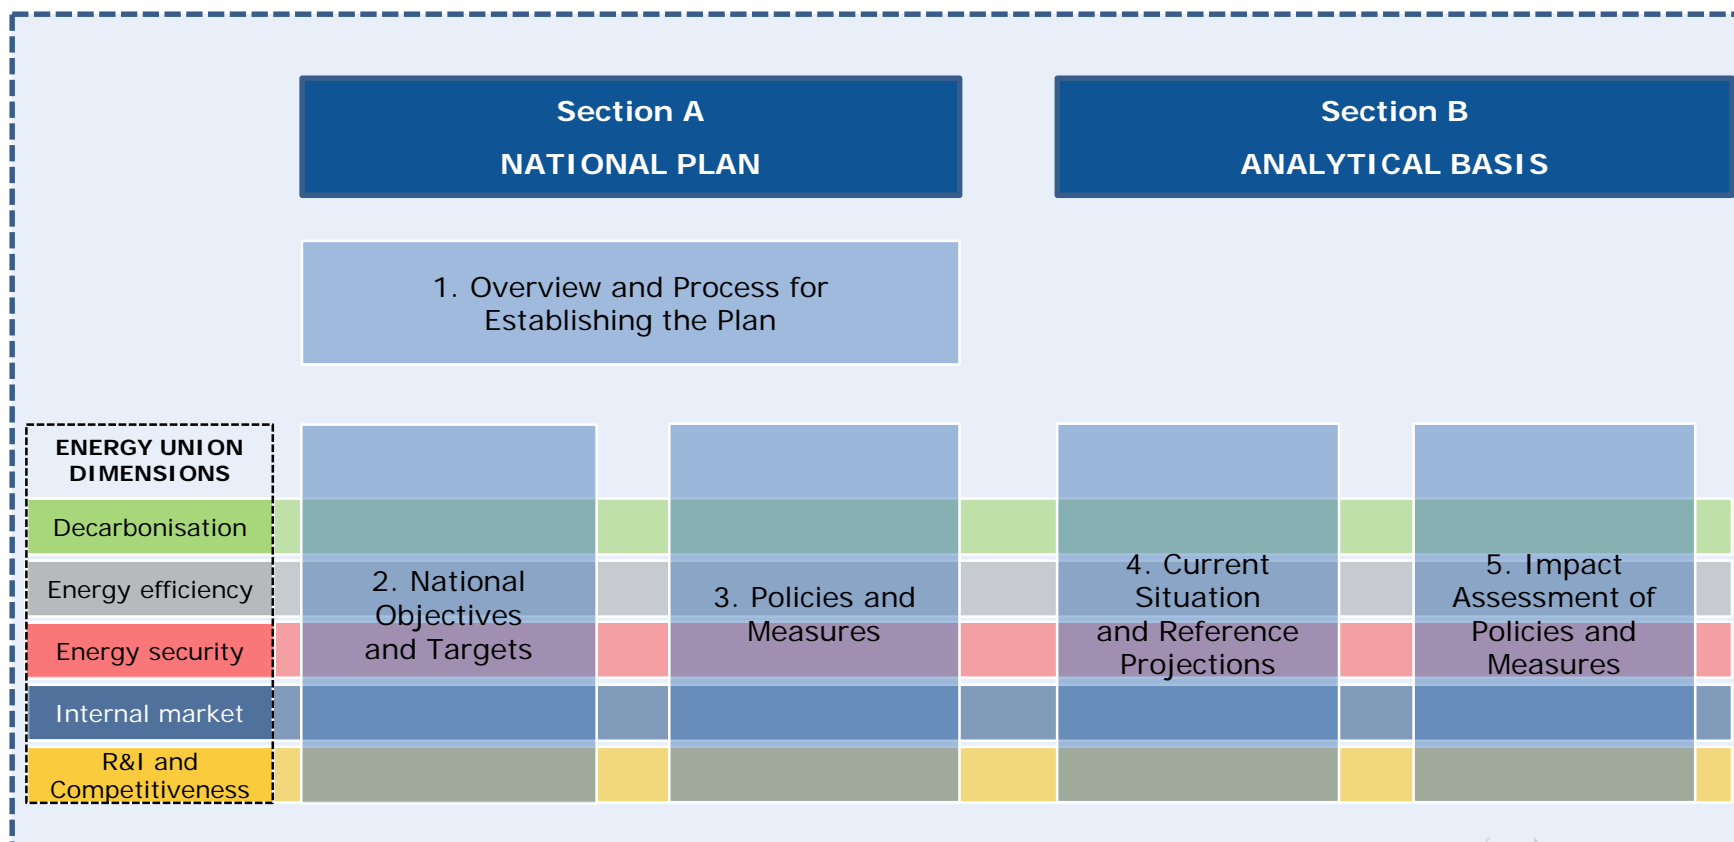

**Allow for investor certainty and predictability**

**Synchronise planning and reporting cycles with Paris Agreement**

# NECP - Binding template and 10 year planning cycle

## STRUCTURE OF INTEGRATED NATIONAL ENERGY AND CLIMATE PLANS (NECP)

## Examples of possible links between Coal Regions in Transition Initiative and NECPs

### **Policies and Measures (Annex I)**

*Strategy and action plan for transition of Coal and Carbon-Intensive Regions*

*Measures to increase renewable energy generation in Coal and Carbon-Intensive Regions*

*Measures to increase energy efficiency in Coal and Carbon-Intensive Regions*

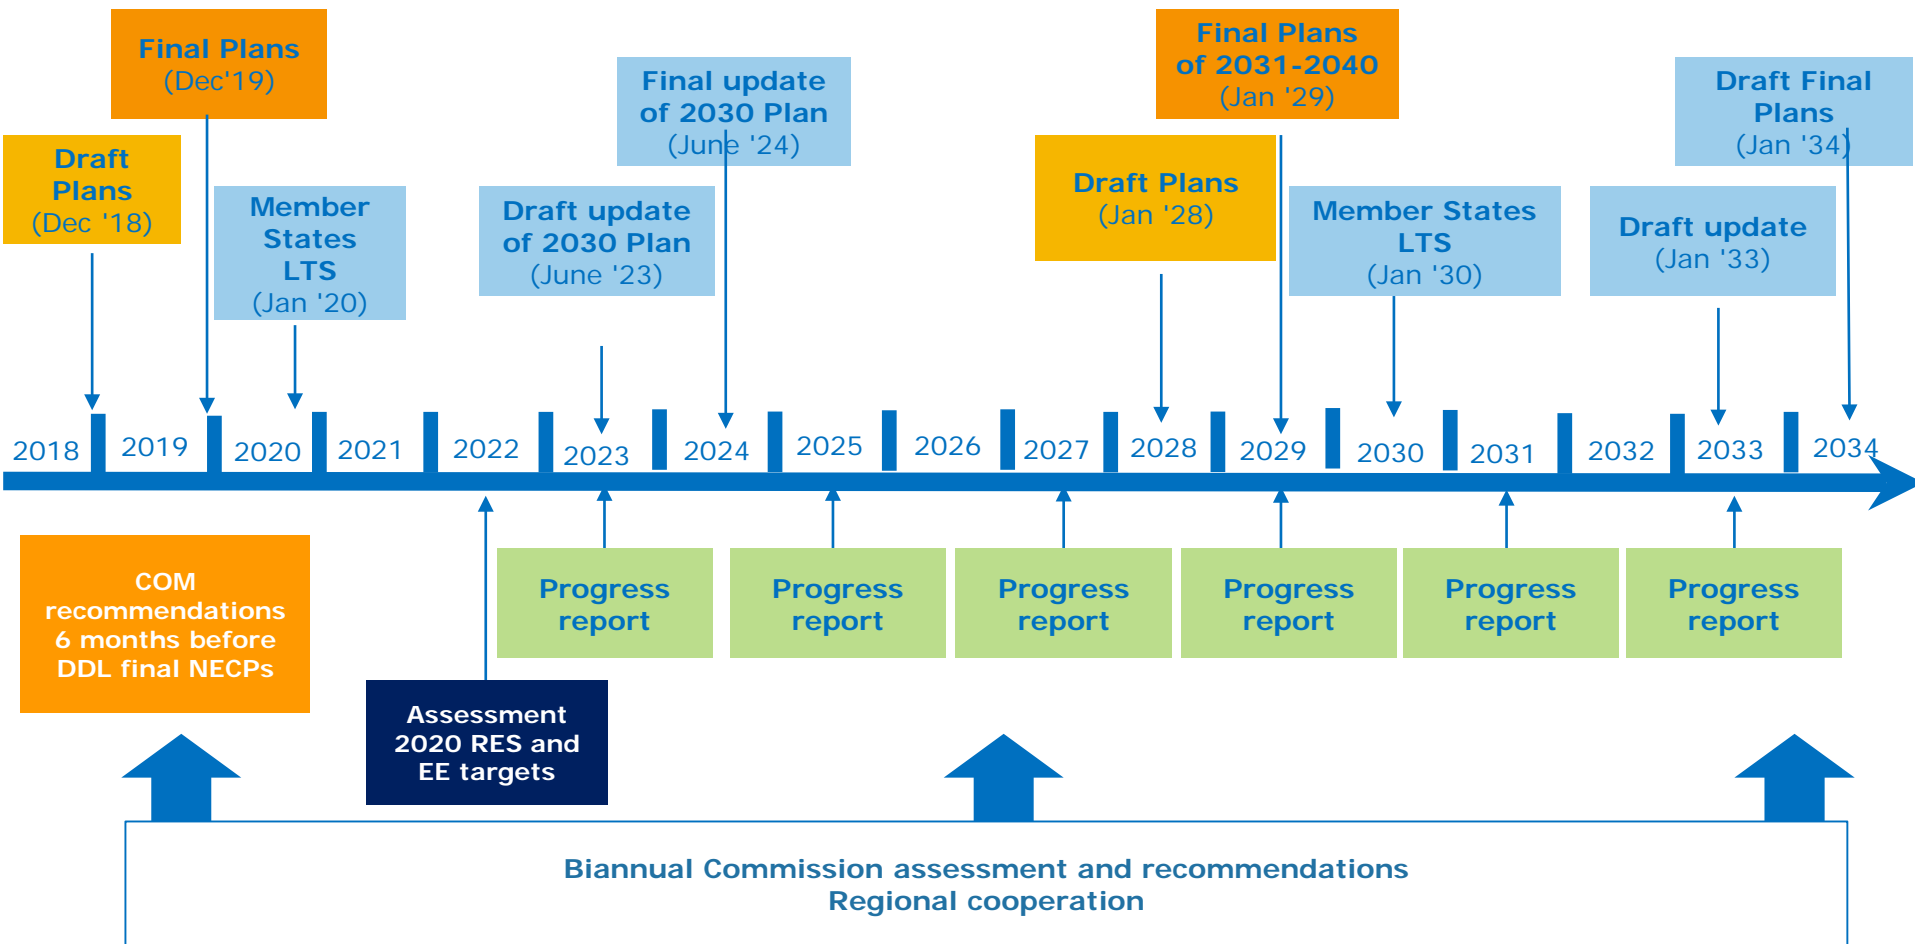

*Measures to develop energy storage facilities in Coal and Carbon-Intensive Regions*

## Financing

*Financing measures, including Union support and the use of Union funds, are confirmed as an element to be reflected as part of policies and measures in the NECPs*

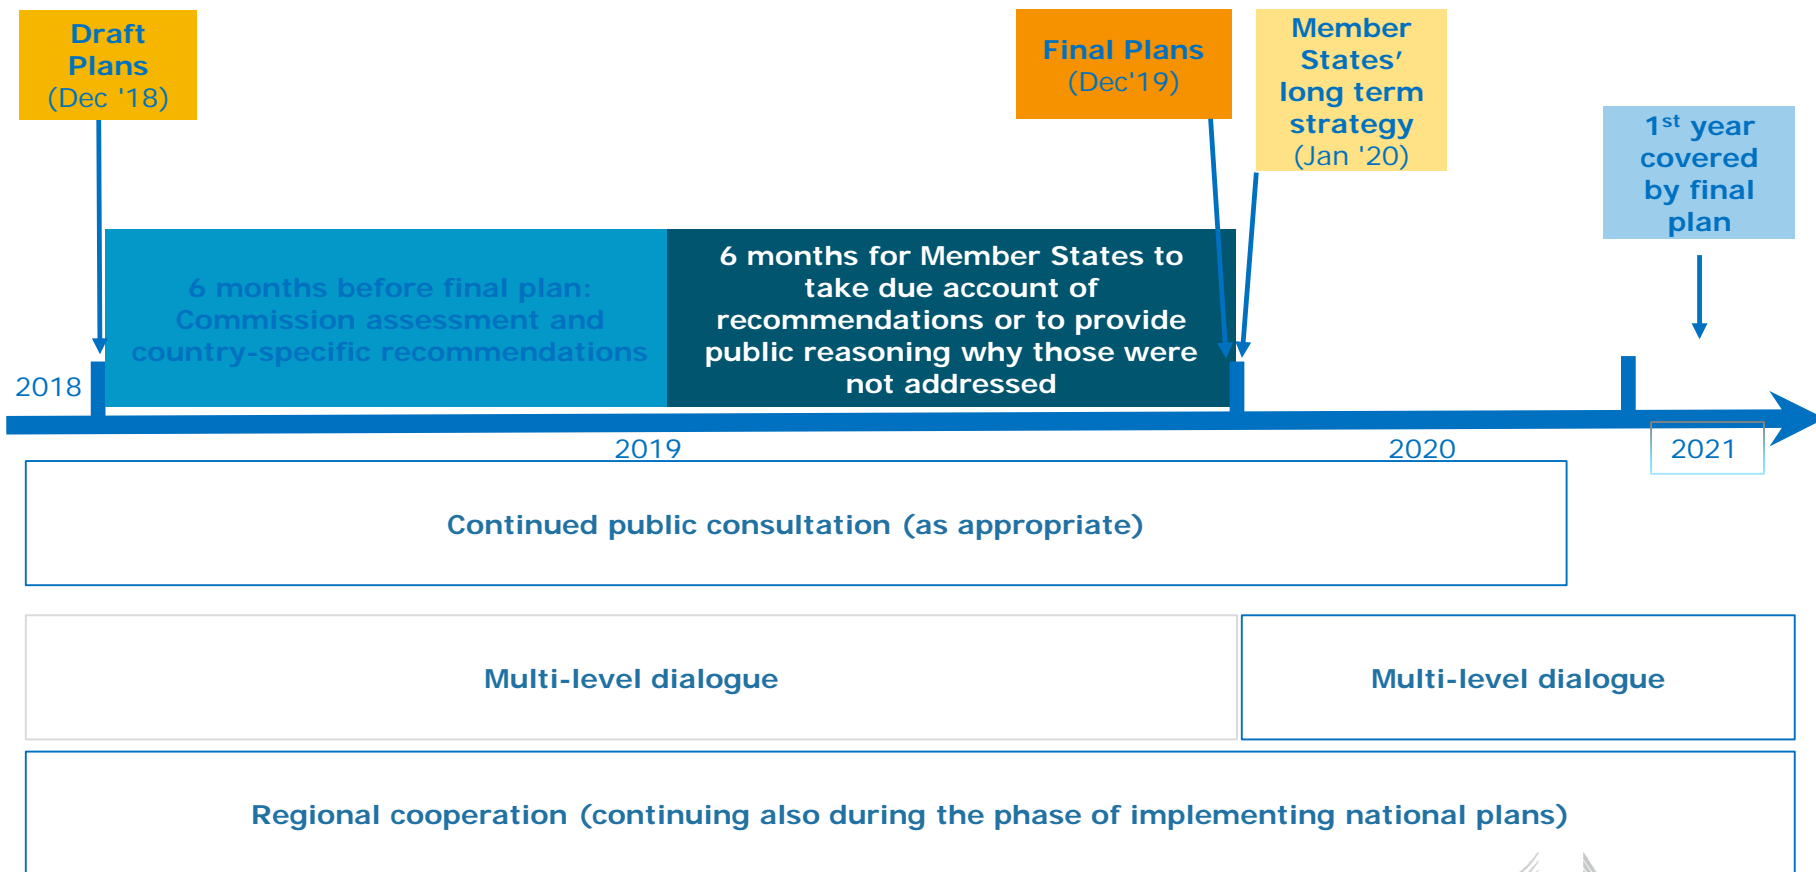

*Common provisions for regional funding for promoting low carbon energy.*

# TIMELINE

## Updated timeline for finalisation of plans – in the short term view

# OTHER MAIN NOVELTIES (compared to COM proposal)

## A RELIABLE GOVERNANCE PROCESS FOR ACHIEVEMENT OF ENERGY UNION OBJECTIVES AND 2030 TARGETS

TOPIC	COM PROPOSAL	FINAL OUTCOME
NECPs (coverage and template)	Binding template covering all five dimensions	<p>Binding template and coverage confirmed (except competitiveness relevant for impact assessment)</p> <p>IEM objectives in line with sectorial legislation</p> <p>Additional focus on the impacts on competitiveness and on investment needs</p>
Energy Efficiency First	-	Introduction of a definition for Energy Efficiency First as well as specific requirements
Energy Poverty	Planning and reporting requirements	<p>MS should assess energy poverty. If a significant, MS should include a national indicative objective.</p> <p>New dedicated reporting article</p>
Political monitoring	-	New article 29bis strengthens the role of the Council and the Parliament in the Energy Union monitoring

# OTHER MAIN NOVELTIES (compared to COM proposal)

## A RELIABLE GOVERNANCE PROCESS FOR ACHIEVEMENT OF ENERGY UNION OBJECTIVES AND 2030 TARGETS

TOPIC	COM PROPOSAL	FINAL OUTCOME
Long-term Strategies (LTS)	Reporting and fulfilling obligations under UNFCCC and Paris Agreement No template	Non-binding template MS LTS due by 1 January 2020 voluntary update every 5 years NECPs to be consistent with MS LTS COM to adopt a Union's long-term strategy by 1 April 2019, including implications on the remaining global and Union carbon budget
Fossil fuel subsidies	Only reporting	MS to include a description of energy subsidies and report on actions to phase out energy subsidies, in particular fossil fuels.
Multilevel Climate and Energy Dialogues (MLD)	-	New article establishes MLD discuss the different scenarios envisaged for energy and climate policies. NECPs could be discussed within this framework.

## REGIONAL COOPERATION IN THE PROPOSED GOVERNANCE REGULATION

### NATIONAL PLANS: PROCESS FOR REGIONAL COOPERATION

Governance regulation:

- **when preparing the draft plans:** Member States identify opportunities for regional cooperation and consult other Member States;
- **on the draft plans:** Commission facilitates cooperation and consultation;
- **on draft and final plans:** Member States take into consideration the comments received from other Member States and explain how this has been done;
- **when implementing plans:** Member States continue to cooperate at regional level.
