Subject : Invitation to tender No. ENER/A4 /2014/VF 516 for a framework contract regarding Evaluations (ex-ante, intermediate and ex-post) and Impact Assessments

Contract Notice in OJEU 2014/S.....

Open procedure

Dear Sir/Madam,

1. The European Commission is launching an invitation to tender for a multiple framework services contract regarding **Impact Assessments and Evaluations (ex-ante, intermediate and ex-post) in the field of energy.**

The contract is based on the system of a **Multiple Framework Contract with reopening of competition**. Therefore, one Framework Contract will be concluded with each selected contractor, **up to a maximum of 5 contractors**, setting out the general contractual terms (legal, financial, technical, administrative, etc.) that apply during their period of validity and govern commercial relations between the Commission and the contractors.

This Framework Contract for Impact assessments and evaluation has the purpose to provide the Directorate-General with services aiming to:

- support the Commission in carrying out impact assessments for the design and preparation of policy initiatives and legislative proposals and to carry out ex-ante evaluations on Union policies and programmes implying a Union expenditure;
- carry out intermediate and ex-post evaluations to analyse the implementation, achievements and impact of Union policies, regulatory measures and programmes in order to give evidence of the outcomes in the short and longer terms with respect to their objectives, their economic, environmental and social impact, the efficiency, the effectiveness and relevance of the funding and to provide conclusions and recommendations for improvements.

2. If you are interested in this framework contract, you should submit a tender in on original and two copies in one of the official languages of the European Union. A copy of the offer on a CD/DVD/USB stick has also to be submitted.

At the end of the opening session, the Chairman of the opening committee will indicate the name of the tenderers and the decision concerning the admissibility of each offer received. The prices mentioned in the bids will not be communicated.

5. Tenders must be:

- signed by a duly authorised representative of the tenderer. The original signature of the single tenderer's or lead partner's authorised representative) (preferably in blue ink) on the identification form (Annex 1 of the technical specifications) shall be considered as the signature of the tender, binding the single tenderer or the group of partners to the terms included in the tender;
- perfectly legible so that there can be no doubt as to words and figures;

6. The period of validity of the tender, during which tenderers may not modify the terms of their tenders in any respect, is six months from the final date for submission.

7. Submission of a tender implies acceptance of all the terms and conditions set out in this invitation to tender, in the tender specification and in the draft contract and, where appropriate, waiver of the tenderer's own general or specific terms and conditions. Submission of a tender is binding on the tenderer to whom the contract is awarded for the duration of the contract.

8. All costs incurred during the preparation and submission of tenders are to be borne by the tenderers and will not be reimbursed.

9. Contacts between the contracting authority and tenderers are prohibited throughout the procedure save in exceptional circumstances and under the following conditions only:

- Before the final date for submission of tenders:

- * At the request of the tenderer, the contracting authority may provide additional information solely for the purpose of clarifying the nature of the framework contract.

Any requests for additional information must be made in writing only to *ENER- ENERGY-Evaluation and Impact assessment @ec.europa.eu*

Requests for additional information received less than five working days before the final date for submission of tenders will not be processed.

- * The Commission may, on its own initiative, inform interested parties of any error, inaccuracy, omission or any other clerical error in the text of the call for tenders.

- * Any additional information including that referred to above will be posted on http://ec.europa.eu/dgs/energy/tenders/index_en.htm The website will be updated regularly and it is the tenderers' responsibility to check for updates and modifications during the tendering period.

- After the opening of tenders

* If clarification is required or if obvious clerical errors in the tender need to be corrected, the contracting authority may contact the tenderer provided the terms of the tender are not modified as a result.

10. This invitation to tender is in no way binding on the Commission. The Commission's contractual obligation commences only upon signature of the contract with the successful tenderer.
11. Up to the point of signature, the contracting authority may either abandon the procurement or cancel the award procedure, without the candidates or tenderers being entitled to claim any compensation. This decision must be substantiated and the candidates or tenderers notified.
12. Once the Commission has opened the tender, the document shall become the property of the Commission and it shall be treated confidentially.
13. You will be informed of the outcome of this procurement procedure.
14. If processing your reply to the invitation to tender involves the recording and processing of personal data (such as your name, address and CV), such data will be processed pursuant to Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data. Unless indicated otherwise, your replies to the questions and any personal data requested are required to evaluate your tender in accordance with the specifications of the invitation to tender and will be processed solely for that purpose by the Director of Shared Resources Directorate MOVE/ENER acting as data controller. Details concerning the processing of your personal data are available on the privacy statement at: http://ec.europa.eu/dataprotectionofficer/privacystatement_publicprocurement_en.pdf.
15. Your personal data may be registered in the Early Warning System (EWS) only or both in the EWS and Central Exclusion Database (CED) by the Accounting Officer of the Commission, should you be in one of the situations mentioned in:
