

Communication from the Commission concerning Council Directive 2003/122/Euratom on the control of high-activity sealed radioactive sources and orphan sources and Council Regulation (Euratom) No 1493/93 on shipments of radioactive substances between Member States

(2013/C 347/02)

Pursuant to Article 13 of Council Directive 2003/122/Euratom and Article 8 of Council Regulation (Euratom) No 1493/93, Member States are required to forward to the Commission the name(s) and the address(es) of the competent authorities and all necessary information for rapidly communicating with such authorities.

Member States are required to notify the Commission of any changes to such data.

The Commission is required to communicate this information, and any changes to it, to all competent authorities in the Community and publish it in the *Official Journal of the European Union*.

The competent authority in Croatia and all necessary information for communicating rapidly with it are given below.

Competent authority in Croatia referred to in Council Directive 2003/122/Euratom on the control of high-activity sealed radioactive sources and orphan sources and in Council Regulation (Euratom) No 1493/93 on shipments of radioactive substances between Member States
