

## **FACT SHEET**

### **Overview of EU support<sup>1</sup> to the International Atomic Energy Agency (IAEA) in the field of nuclear safety, safeguards, security and Technical cooperation financed during the current Multiannual Financial Framework 2007-2013<sup>2</sup>**

#### **Nuclear safety**

- **Emergency Preparedness and Training system**
- **Ukraine Joint Project**
- **Emergency Center**
- **1st Package of Projects under the EU Instrument for nuclear safety cooperation**
- **Complement Jordan under the EU Instrument for nuclear safety cooperation)**
- **Integrated Regulatory Review Services**
- **Under Preparation: 3rd Package of Projects under the EU Instrument for nuclear safety cooperation: 2012-2013 (9,260 k€)<sup>3</sup>**

**Total 20.9 Million €**

#### **Nuclear Safeguards**

- **EC Safeguards Support Programme to the IAEA, 147 projects, 43 ongoing projects: ~3.300 per year<sup>4</sup>**
- **EU Support for IAEA Monitoring and Verification activities in DPRK (suspended)**
- **EU contribution to the new Nuclear Material Laboratory (NML) – first phase**
- **EU contribution to the new Nuclear Material Laboratory (NML) – 2<sup>nd</sup> phase**

**Total 11.7 Million €**

---

<sup>1</sup> Disclaimer: This summary is for information purposes only and has no official character. Not all activities of the IAEA, supported by the EU financially or in kind are included.

<sup>2</sup> These figures include only contributions from EU Institutions. They are complemented by contributions from EU MS to the regular budget of the IAEA and by MS voluntary contributions to IAEA activities.

<sup>3</sup> Figure included in the total

<sup>4</sup> Figures not included in the total.

## **Nuclear security**

- **EU Joint Action 2004/495/CFSP of 17 May 2004 (IAEA I)<sup>5</sup>**
- **EU Joint Action 2005/574/CFSP of 18 July 2005 (IAEA II)**
- **EU Joint Action (2006/418/CFSP of 12 June 2006 (IAEA III)**
- **Assessment of the management of sealed radioactive sources in the Western Balkans**
- **Assessment of the measures to prevent and combat illicit trafficking of nuclear materials**
- **Strengthening National Infrastructure related to Lebanese Trade and Border Control**
- **EU Joint Action (2008/314/CFSP of 14 April 2008 (IAEA IV)**
- **EU Council Decision (2010/585/2010 of 27 September 2010 (IAEA V)**
- **Non financial Technical support in the field of detection, Forensics, response and related trainings, Support to the improvement of the Illicit Trafficking Data Base**

**Total 34.5 Million €**

## **Technical cooperation**

- **Repatriation of the Serbian spent nuclear fuel to the Russian Federation**
- **Equipping of the radioactive waste processing facility at Vinca (Serbia)**
- **Management of sealed radioactive sources of category 3 and 4 at Vinca (Serbia)**
- **Decommissioning of Hangar No 1 at Vinca (Serbia)**
- **Radioactivity survey at the Vinca site (Serbia) Operation of the radioactive waste processing facility at Vinca (Serbia)**
- **Improvement of emergency preparedness at Vinca (Serbia)**
- **Support to the Project Management Unit at Vinca (Instrument for Pre-accession)**
- **Regional project on regulatory Infrastructure**
- **Decommissioning of the underground radioactive liquid waste tanks at Vinca (Serbia)**
- **Implementation of the recommendations of the radioactivity survey at Vinca (Serbia)**
- **Support to the Serbian nuclear regulatory body for the establishment of registries for radioactive materials and occupational exposures**
- **Decommissioning of the spent fuel storage pond at Vinca (Serbia)**
- **2nd Package of Projects under the EU Instrument for nuclear safety cooperation**
- **Enhancement of the technical capacity of the regulatory bodies in Bosnia & Herzegovina and Montenegro**

**Total 24.3 Million €**

---

<sup>5</sup> Includes figures for IAEA Joint Acitons I-III = 14.238 k€)

## **Contributions to other IAEA projects:**

- **EU contribution to the nuclear fuel bank under the supervision of the IAEA first phase)**
- **EU contribution to the nuclear fuel bank under the supervision of the IAEA second phase ()**
- **Under preparation EU contribution to the security of the nuclear fuel bank under the supervision of the IAEA (up to 5.000 k€)<sup>6</sup>**

**Total 20.0 Million €**

**Gross overall figure 2007-2013: 111.5 Million €<sup>7</sup>**

**25 January 2013**

---

<sup>6</sup> Not included in the global figure

<sup>7</sup> Includes figures for IAEA Joint Actions I-III = 14.238 k€ but excludes EC Safeguards Support Programme to the IAEA: 147 projects, 43 ongoing projects: ~3.300 per year since 1981<sup>7</sup>
