Nordkraft, Kjellerups Torv 1, 9000 Aalborg, Denmark

DAY 0 – 26 November

18:00-20:00 (120') Evening welcome reception by CO2Vision and INNO-CCUS at 'Musikkens Hus', Musikkens Plads 1, 9000 Aalborg.

DAY 1 – 27 November

08:30-09:30 (60')

Welcome coffee and registration

09:30-09:35 (5')

Welcome to Aalborg: **Lasse Frimand Jensen**, Mayor Aalborg Municipality

09:35-09:45 (10')

Welcoming address: **Lars Aagaard**, Danish Minister for Climate, Energy and Utilities

09:45-09:55 (10')

Keynote speech: **Kadri Simson**, Commissioner for Energy, the Net Zero Industrial Carbon Management Strategy

09:55-10:05 (10')

Keynote speech: **Christian Ehler**, Member of the European Parliament, what Carbon Management Strategy for the EU

10:05-11:10 (65')**Discussion Panel 1: Need for speed – Implementing industrial carbon strategies to reach climate neutrality**

The discussion will focus on the role of industrial carbon management in climate, energy and industrial policies.

- 10:15 (15')

Fire-side chat on the role of carbon management in getting to climate neutrality

Oliver Geden - Senior Fellow, SWP & Working Group III Vice Chair IPCC with **Chris Bolesta**, DG ENER, European Commission

- 10:30 (50')

Discussion

Moderated by: **Stefanie Hiesinger**, Head of Unit, DG CLIMA, European Commission

Speakers:

- **Anders Hoffmann**, Deputy Permanent Secretary, Danish Ministry of Climate, Energy and Utilities
- **Kristin Myskja**, Director General, Norwegian Ministry of Petroleum and Energy
- **Esther Pijs**, Director General, Ministry of Economic Affairs and Climate Policy
- **Jürgen Schneider**, Director General, Austrian Federal Ministry for Climate Protection, Environment, Energy, Mobility, Innovation and Technology

11:10-11:20 (10')

Presentation: **Shaping the future** – CO₂ transport network modelling results by **Drazen Tumara**, **Joint Research Centre**, European Commission

11:20 -12:10 (50')**Discussion Panel 2: Target practice – How to efficiently ensure enough CO₂ storage capacity and transport infrastructure by 2030**

The discussion will focus on how to best achieve sufficient CO₂ storage capacity for EU climate goals, and the tools required to speed up the deployment of infrastructure.

Moderated by: **Lee Beck**, Clean Air Taskforce

Speakers:

- **Johanne Koll-Hansen Bø**, Head of CCS, Altera New Ventures
- **Piero Ercoli**, Executive Director Decarbonization Unit at Snam, Ravenna project
- **Søren Reinhold Poulsen**, Greenport Scandinavia project partner, INEOS
- **Florina Sora**, National Agency for Mineral Resources, Romania
- **Morten Gjetting Stage**, Head of New Business, CCS DK & Chairman for INNO-CCUS, TotalEnergies

12:10-13:10 (60')

Lunch

13:10-13:20 (10')

Keynote speech: Facilitating CO₂ transport infrastructure deployment - **Ditte Juul-Jørgensen**, Director General ENER, European Commission

13:20-13:50 (30')

Discussion Panel 3: The next big thing – regulating CO₂ transport infrastructure

The discussion will focus on the future of CO₂ transport regulatory needs.

Moderated by: **Katrien Prins**, DG ENER, European Commission

Speakers:

- **Hans Bolscher**, Senior Consultant, Trinomics
- **Christopher Jones**, Professor, Florence School of Regulation
- **Erik Kolstø**, Head of Business Development, H2 & CO₂, Open Grid Europe

13:50-14:05 (15') Announcement: **International Energy Agency** new report: **CCUS Policies and Business Models – building a commercial market'**, **Mathilde Fajardy**, Energy Analyst at the IEA

14:05-14:45 (40')

Discussion Panel 4: Wolf of Wallstreet: de-risking carbon management projects and making them bankable

The discussion will focus on improving the business case for industrial carbon management.

Moderated by: **François-Régis Mouton**, Regional Director Europe, IOGP

Speakers:

- **Agnieszka Baran**, Orlen/ECO2CEE project
- **Logan Couch**, Senior Vice President, Lockton Companies
- **Maria Leis**, Breakthrough Energy
- **Steven Van Caekenberghe**, Head of Technical Management, nextgrid at Fluxys

14:45-15:35 (50')

Discussion Panel 5: From scratch – how to create a market for industrial carbon removals

The discussion will focus on potential mechanisms to incentivise industrial carbon removals.

Moderated by: **Mark Preston Aragonés**, Bellona

Speakers:

- **Veronika Elgart**, Deputy Head of Section, Federal Office for the Environment FOEN, Switzerland
- **Ralf Rank**, Managing Partner Brookfield
- **Lars Bruun Sørensen**, Head of CCX, Ørsted
- **Tobias Johan Sørensen**, Senior Analyst, CONCITO

15:25-16:05 (40') Networking break

16:05-16:45 (40')

Discussion Panel 6: Obtaining social licence – How to get public buy-in on industrial carbon management?

The discussion will focus on public awareness of industrial carbon management technologies.

Moderated by: **Elisabeth Dütschke**, Fraunhofer ISI

Speakers:

- **Jan Theulen**, Group lead CCUS and Director Technology and Partnerships, Heidelberg Materials

10:00-10:40 (40')

Discussion Panel 9: Golden standard – Do we need European approach to CO₂ quality?

The discussion will focus on how to make sure CO₂ quality standards do not hinder transboundary CO₂ flows.

Moderated by: **Harald Tlatlik**, Senior Materials Engineer, Wintershall Dea

Speakers:

- **David Gil**, Subject manager for Interoperability in System Operation Area, ENTSOG
- **Brian Brink Larsen**, Senior Consultant, Danish Standards
- **Annemarie Manger**, Head of Aramis project
- **Katerina Sardi**, Country Manager and Managing Director of Energean Greece

10:40-11:20 (40')

Discussion Panel 10: All hands on deck – establishing industrial initiative on CCS and CCU

The discussion will focus on how to best involve industry in deployment of industrial carbon management value chains.

Moderated by: **Chris Davies**, CEO of CCS Europe

Speakers:

- **Eve Tamme**, Chair, Zero Emissions Platform
- **Bernhard Koudelka**, Vice President Carbon Capture & Storage, Shell
- **Pieter Tavenier**, Head of CCS Business Development at Gasunie, Porthos Project
- **Rodolphe Nicolle**, Secretary General of the European Lime Association

11:20-11:50 (30')

Networking break

11:50-12:00 (10')

Presentation of the draft Forum Conclusions, **Edith Hofer**, DG ENER, European Commission

12:00-12:10 (10')

Wrap-up and the way forward – Danish Ministry of Climate, Energy and Utilities and DG ENER

12:10-13:10 (60') Lunch

13:10-16:00
