Bidding Zone TF State of play

ENTSO-E has established a Task Force dedicated at the subject

The ToR presented at the previous Florence Forum and the process specified in CACM will be pursued

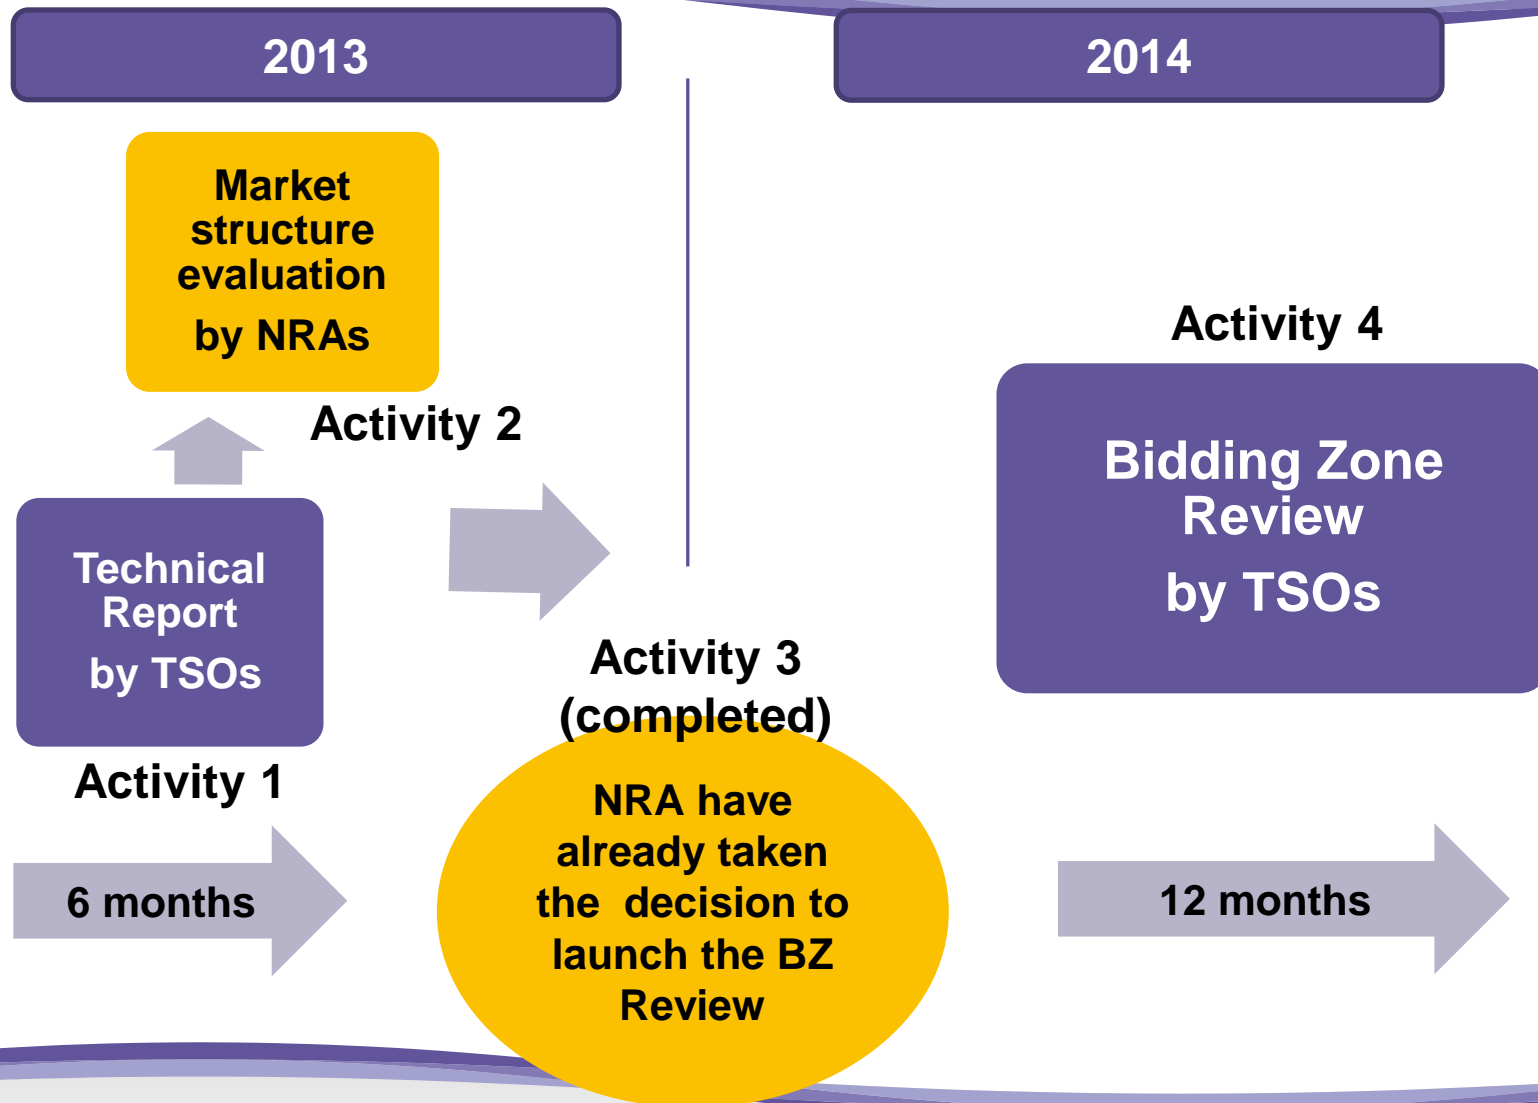

Close cooperation with ACER in particular on the Market Structure evaluation is essential and has been confirmed

Stakeholders to be involved throughout the process

Time targets:

- Technical Report 2013
- Analysis / Bidding Zone Review in 2014

Bidding Zone TF State of play

Thank you very much
