

The background is a composite image of the Earth from space, showing the Western Hemisphere. Overlaid on the satellite imagery are numerous glowing blue lines that represent energy transmission paths or a network. These lines are curved and intersect, creating a sense of dynamic energy flow across the globe.

*gas markets in the energy
community: the impact of the
regulatory regime*

dirk buschle
deputy director and head of legal
energy community secretariat

completing the internal market: the energy community

- ▶ **the importance of a level playing field for LNG development**
- ▶ **what difference does the law make? the example of ukraine**
 - ▶ gas infrastructure: unbundling and tariff-setting
 - ▶ gas market development
 - ▶ public vs private law enforcement
- ▶ **LNG vs pipeline gas: equal opportunities on a legal basis**
 - ▶ challenging the incumbent: the *gazprom* commitments
 - ▶ challenging the incumbent: five tales from serbia
- ▶ **the rule of law and its limits**
 - ▶ investment in infrastructure
 - ▶ enforcement

The background is a satellite-style image of the Earth at night, showing city lights. Overlaid on this are numerous glowing blue lines that represent energy transmission paths, connecting various points across the globe.
