Non-communication infringement cases

September & November 2011: EC has sent 39 letters of formal notice to 19 Member States for non-notification of the full transposition measures

February + April 2012: EC has sent reasoned opinions to several Member States for not notifying any or full transposition measures to the Commission

Other cases are still in evaluation

Next steps

Verification of transposition measures in view of compliance with the 3rd Package provisions

- Possible next steps in the coming months

Close cooperation and coordination with national authorities continuing

- Support in transposition, if not yet completed
- Practical implementation of the legislation
- Certification of TSOs ongoing
 - So far, 11 opinions provided by the European Commission to the NRAs
 - Several further opinions pending
