

## ERGEG's response to GSE's observations on GGPSSO implementation

Mr. Walter Boltz  
ERGEG's  
Gas Focus Group (GFG)

# Transparency

## Publication of capacity data according to Section 6.5 of the GGPSSO?

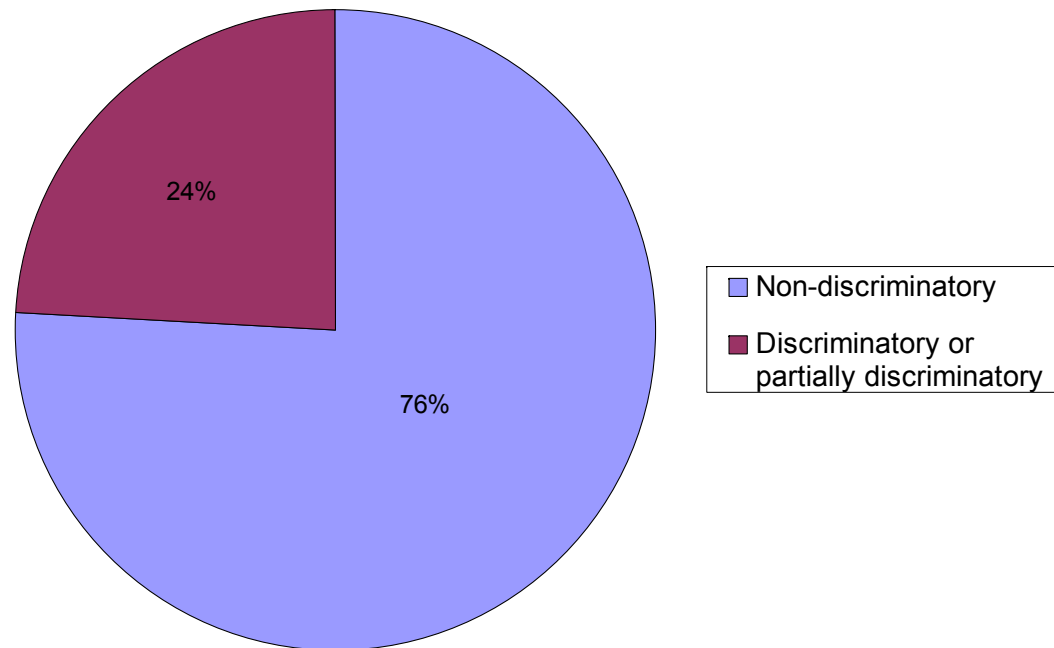

- No capacity information is published by 9 out of 31 GSE members according to GSE website and SSO's websites:
  - RAG (Austria)
  - Botas (Turkey)
  - Bulgartransgaz (Bulgaria)
  - E.ON Földgaz Storage (Hungary)
  - Exxon Mobil (UK)
  - Gasunie (The Netherlands)
  - PGNiG (Poland)
  - Srbijagas (Serbia)
- A traffic light system is published by:
  - Essent (The Netherlands)

Far from 100%  
transparency

## Capacity allocation and congestion management

- ERGEG carried out a survey among storage users and SSOs in April and May 2008 on CAM & CMP to storage facilities
- ERGEG received 29 responses by storage users

**24% of respondents consider current CAM & CMP are discriminatory or partially discriminatory**

- Based on the responses received ERGEG will develop guidelines on CAM & CMP for storage system operators
