	Prix à la consommation des produits pétroliers hors droits et taxes Consumer prices of petroleum products net of duties and taxes Verbraucherpreise für Mineralölzeugnisse ohne Abgaben und Steuern	13/12/2010

The prices communicated by the Member States are the prices most frequently charged, based on a weighted average.

Comparisons between prices and price trends in different countries shall be carefully made. They are of limited validity because of differences in product quality, in marketing practices, in market structures, and to the extent that standard categories are representative of the total sales of a given product.
