

# **NATIONAL ROUNDTABLE ON FINANCING ENERGY RENOVATION OF BUILDINGS IN ITALY PALAZZO ALTIERI, PIAZZA DEL GESÙ 49, 00186 ROME AGENDA**

**Organised by the European Commission, in partnership with the Ministry of Economic Development, the Italian National Agency for New Technologies, Energy and Sustainable Economic Development, the Italian Banking Association and the UN Environment Finance Initiative**

## **Objectives**

As part of the "Smart Finance for Smart Buildings" initiative, the European Commission is organising a series of "Sustainable Energy Investment Forums" to enhance the capacity of and co-operation between public and private stakeholders to develop large-scale investment programmes and financing schemes. The SEI Forums will consist of more than 30 events in up to 15 Member States in 2016-2019; information on past and upcoming events can be found on the SEI Forums [webpage](#).

An initial regional conference on Financing Energy Renovation of buildings in Italy, Croatia and Slovenia, took place in Milan on 16 November 2017. This event gathered about 125 participants working on energy efficiency finance from the financial sector, national Governments, project developers, the renovation supply chain and local and regional agencies. The presentations and proceedings from that event can be found [here](#), and make useful background reading in preparation for the National Roundtable.

The objective of the National Roundtable is to initiate a dialogue between key Italian stakeholders on how to improve access to finance for energy efficiency investments, and to identify common objectives and potential improvements to be made in the current policy framework and business practices. The Roundtable will devote a significant amount of time to exchanges and interaction between participants in the form of small working groups.

# Agenda

## 9:30 Introductory plenary

### *Introduction and Update from the European Commission*

- **Claudia Canevari**, Deputy Head of Unit, Energy Efficiency, DG Energy, European Commission

### *Introductory Remarks*

- **Mauro Mallone**, Director, Energy Efficiency Unit, Ministry of Economic Development (MISE), Italy
- **Alessandro Federici**, Head of Energy Efficiency Policies Monitoring and Support Service, Energy Efficiency Unit, Italian National Agency for New Technologies, Energy and Sustainable Economic Development (ENEA)
- **Pierfrancesco Gaggi**, Head of International Relations ABI and President of ABI Lab

## 10:15: Presentation of the Topic Groups and Working Method for the day
