

# 33<sup>rd</sup> EU ELECTRICITY REGULATORY FORUM

30<sup>th</sup>-31<sup>st</sup> May 2018

Day 1 (Wednesday, 30<sup>th</sup> May, 14:00 – 18:00)

## 1. Introductory remarks [14:00 – 14:30]

Chair, Mr Klaus-Dieter Borchardt, DG Energy

Mr Guido Bortoni, President of ARERA, the Italian Regulatory Authority for Energy, Networks and Environment

## 2. Update on the state of play of discussions regarding the market design initiative in the Clean Energy Package & on State aid cases relating to capacity mechanisms [14:30-16:00]

*Open floor to reactions by stakeholders*

– Coffee break –

## 3. Integration of electricity market rules: are we on track to achieve an Internal Electricity Market?

### 3.1. Highlights on implementation of electricity network codes [16:30-17:30]

– General overview of state of play of electricity network codes.

*Presentations by EC and ACER, questions from the floor*

– Key elements of Commission NEMO report.

*Presentation by EC, reactions by ACER, ENTSO-E and NEMO Committee*

– Lessons learnt on the bidding zone review.

*Presentation by ENTSO-E, reactions by EC and ACER/CEER*

### 3.2. Challenges facing the implementation of the Guideline on Capacity allocation and Congestion Management [17:30– 18:30]

– Flow-based capacity calculation: update on the regional proposals for capacity calculation methodologies

*Update by ACER/CEER, reactions by EC, ENTSO-E and Eurelectric*

– Discussion on the intraday target model: continuous trading with complementary auctions; local products;

*Presentation by EC, reactions by XBID, ENTSO-E, ACER/CEER and Eurelectric*

– End of day 1 –

**Day 2 (Thursday, 31<sup>st</sup> May, 09:00 – 16:15)**

**4. Looking ahead at the challenges of the Internal Energy Market**

**4.1 Digitalisation of energy [9:00 – 9:45]**

*Presentation by EC, reactions by ENTSO-E, CEER and by CEDEC*

**4.2 Reflections on energy storage [9:45-10:15]**

*Presentation by EC, reactions by ACER/CEER and EASE*

**4.3 Enhancing TSO-DSO cooperation in active system management [10:15-11:00]**

*Presentation by EC, reactions by ENTSO-E, EDSO for Smart Grids and by ACER/CEER*

– Coffee break –

**4.4 Security of supply and electricity market integration [11:30-12:15]**

– Update on risk preparedness proposal and considerations on early implementation

– Lessons learnt from the 2017 South-East European cold spell

*Presentation by EC, reactions by ENTSO-E and ACER/CEER*

**4.5 Cyber security considerations for the energy sector: a perspective from the electricity sector [12:15-13:00]**

*Presentation by EC, reactions by ENTSO-E, CEER and Eurelectric*

– Lunch break –

**5. Electricity market developments in the Energy Community [14:30-14:50]**

*Update by the Energy Community*

**6. REMIT: presentation of the results of the first full year of market oversight [14:50-15:15]**

*Presentation by ACER*

– Cocktail –

**7. Conclusions [15:45-16:15]**
