CEER Work

ENERGY REGULATORY ACTIVITIES IN PLATFORM III

CEER and Eastern Partnership

- Successful cooperation since 4 years
- Spirit of Partnership: EU and partner countries jointly decide on their activities
- Emphasis on energy regulatory issues
- Activities designed by regulators for regulators

Main Characteristics of Regulatory Activities

- Expert Workshops on topics of regulatory importance on national and regional level
- The main actors are EU regulators and partner country regulators (and/or other bodies in charge of regulation)
- Workshops involve perspectives from individual regulatory authorities, regional regulatory associations, Energy Community, INOGATE, European Commission and other related organizations
- Working Sessions are complemented by Field Trips to gain practical knowledge and experience
