on the financing of actions under the prerogatives of the Commission and its specific powers in the field of energy, and adoption of the work programme for 2023
COMMISSION DECISION

of 24.2.2023

on the financing of actions under the prerogatives of the Commission and its specific powers in the field of energy, and adoption of the work programme for 2023

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to the Treaty establishing the European Atomic Energy Community, and the tasks resulting from specific powers directly conferred on the Commission under Chapters III and VII, and in particular Article 174 thereof,

Having regard to Commission Regulation (Euratom) No 302/2005 of 8 February 2005 on the application of Euratom safeguards,

Whereas:

(1) In order to ensure the implementation of the actions financed under the prerogatives of the Commission and its specific powers in the field of energy (‘the work programme’), as set out in the Annex, it is necessary to adopt an annual financing decision for 2023. Article 110 of Regulation (EU, Euratom) 2018/1046 (‘the Financial Regulation or FR’) establishes detailed rules on financing decisions. Article 58(2)(d) establishes that appropriations for actions carried out by the Commission under its prerogatives may be implemented without a basic act.

(2) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.

(3) Pursuant to Article 62(1)(c) of the Financial Regulation indirect management is to be used for the implementation of the programme.

(4) The Commission is to ensure a level of protection of the financial interests of the Union with regards to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of the Financial Regulation. To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of the Financial Regulation and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) of the Financial Regulation before a contribution agreement can be signed.

(5) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) FR.

In order to allow for flexibility in the implementation of the work programme, it is appropriate to allow changes which should not be considered substantial for the purposes of Article 110(5) FR.
